My Dear Mr. Belden,

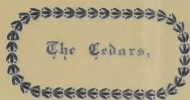

Your notes have
both come to hand with
enclosures, and since writing
last to you I have received
the following dues and Initiations

Henry W. Poor Annual	\$ 20.00
Benno Doewy " "	" "
Allen W. Roberts Life member	100.00

We have not heard from any
body else. how about the life
membership contributions for

Mrs. Groh I do not agree with you in thinking I should be custodian of the funds ^{as I was} that may be collected for the following reasons. First ^{these} contributions are not ~~are~~ from the Society as such, but from a few friends of the late Mr. Groh to honor his memory and should not in any way appear on the minutes of the organization, because the fact of their doing so would be entirely too humiliating to the lady, as when she is elected a live member, where the money comes from far her to qualify is really none of the business of

the Soc. If each contribution is given to me and I pass it through the bank of the Soc. I will have to make a note of it in my report to make my books ballance with my check book. You see the money is not the property of the Soc. at all until you as the spokesman of several individual members hand ~~me~~ over the hundred dollars, as Mrs. Groh's life membership fee. At least this is the way I look at it. As the checks are all endorsed I will I presume have to deposit them now and keep the account. Very sincerely Yours Chaas. Meyer.

My dear Mr. Fryer:-

You remember no doubt that you informed me that you would devote the \$35., which you did not pay in to the Die Cutting School, to our collection of American Insignia.

I have succeeded in getting authority from the Society of the Army of Santiago de Cuba to purchase one set of the insignia of that Society for our collection.

The prices are as follows:-

Insignia - Gold and Enamel -	15.00
" Silver gilt and Enamel -	7.00
" Bronze - no enamel	1.75
" Miniature - gold	6.50
Button. Gold	2.75
" Silver gilt	.75

The silver gilt insignia, it seems to me, will answer our purpose as well as the gold, they are alike in appearance and it costs less than half. I presume "one set" would mean a specimen of each variety should we want them and I would suggest that we spend a part of the \$35. as follows:-

Insignia - Silver gilt & enamel	7.00
" Bronze	1.75
" Miniature	6.50
Button - Silver gilt	.75
	<u>\$16.00</u>

If you think well of this I will send in an order.

I have also made application for the insignia of the Naval & Military Order of the Spanish American War, which is a handsome gold badge costing \$20. The Commander-in-Chief has approved it, but it will have to be authorized at the annual meeting which does not take

place until next May, so that is something that we can consider later. I am also going to try and get the Third Army Corps Union. I do not know as yet what that costs, of course if I can get both of these it will amount to more than your \$35. but I hope to get something out of the funds of the Die Cutting School and so I am going to find out what there is that I can get and then make a strike for the money.

Is Mr. Huntington still in the city?

will you kindly send me receipted bills, dated
November 18th 1907, for initiation fee of Wm Earle

These two parties will be up for election to

It might be as well not to deposit the checks until
they are actually elected.

I will give you after the meeting.

My Dear Mr. Belden.

I received your
note this morning and
will send the \$100⁰⁰ of
Mrs. Huntington immediately
to the Building Fund. I should
have done so long ago had
I not forgotten it and
added it all up in the life
membership fund, without

noticing that the name
appeared twice in the list,
but it makes no difference
as I will charge it off on
next years account.

I am sending you the
Report signed by the Auditors.
They also request that in
Publishing the report you
do not attempt to strike
a balance in the permanent
funds by assuming all
the Bonds to be worth
\$1000 each, as it is misleading
especially in these times,
but only publish them
as a list of securities and
of course the cash in bank
accurately as it appears.

Of course no balance means anything
where values are assumed. I can not
of course send out the bills for this
years dues, until the stationery arrives.

I fear if our new securities purchased
last Spring were put at their market
value of ~~to~~ day we would have much
less money than we appear to have.
This of course applies to all the old
securities also. But they are all
paying their interest and I think
will continue to do so.

Sincerely yours
Chas. F. Yerkes

My Dear Mr. Belden,

First, I would like to say

that I can not sign a set of checks of the for
the journal as I have a large amount of
work on hand now in connection with my
sisters estate and it has already commenced
to tell upon my health, so I have to attend to
this additional detail. I will have to tender my
resignation as Secy. I do not mean this as
a threat, but I can do no more work in justice
to myself. I therefore return you the checks, you
had better put them in your own bank account
and pressing them as Treas. of the Committee and
when you have a settlement with the Hispanic
Soc. send me a check for the entire amount.
I advanced. If all events they must not be
mixed with the general affairs of the Soc.
As for the dues of the British Numismatic Soc.
I paid them some time ago and they have
the draft long before that, but possibly not
before they sent the bill enclosed. She has still

80th

I think must have been paid, but if so it was
paid with other items &c. I have no receipt for
that specific amount and possibly may
have over looked it and at all events ~~can~~
can not present proof for the delinquents.

I received a check from Miss Agnes Baldwin
for initiation fee & dues for \$10.00, when was
she elected? or is she yet to be elected? If she was
elected in the spring she still owes us ten dollars,
if she is anticipating and is to be elected, this month
her check is correct. Please answer these questions
at your convenience as I shall hold her receipt

My Dear Mr. Belden

Before giving you a
statement of the ~~building~~ furnishing
fund which you ask for in a note received
to day would like to ask you to the check
of Mr. Flecher as I can not use it in its
present form as it is made out to your
order etc. Now about the turning over the
accounts to you. I think I had better keep
them until the Annual meeting, and I have
had the accounts audited. When this is
done I will turn all the books over to you
and you had better start a new set
and we will close the old ones together.
Will you kindly ask the President to appoint
Mr. Drowne and somebody else. say Mr. Pollon
on the com. of audit. Mr. D. knows all about
the books and can go over them in half the
time of anybody else except possibly yourself.
but you will have them all afterwards and

we will ~~not~~ work together as I believe I am
still to remain nominal Treasurer though
without much ~~technical~~ clerical work.

Now for the statement of the ~~the~~ furnishing fund.

I received your letter

have qualified, up to date. I have paid the
bills in your last communication and
sent receipts to the Reg. Life members, but can
not credit them on this years report, except
informally as the books are closed and being
balanced, also the Bank^x book is at the
Lincoln Nat. Bank so please do not send any
more documents up to me, but hold them for
our consideration after the Annual Meeting.
In conclusion will you kindly send me ~~the~~^{all}
copies of the Journal of numismatics of last year
except during the Treas report for 1908. as to Jan 19

reply to your note of Mar. 5th I agree with
you ~~the~~ thinking we ought to get a higher

Chas. Poyer,

October 28, 1909.

My dear Mr. Prver:

Your letter of the 14th with check for \$37.00 came to hand this morning.

Enclosed are the following checks for bills approved on Tuesday, bills authorized and bills for which my approval is sufficient:-

W22	W. T. R. Marvin,	\$84.20
W23	Thomas L. Elser,	27.75
W24	Thomas Nolan & Sons,	14.40
W25	William Feillon,	10.57
W26	Waldain Coolidge,	6.00
W27	James Brown,	5.85
W28	United Electric Light & Power Co.,	17.20
W29	New York Telephone Co.,	4.50
W30	G. F. Stechert & Co.,	5.11
W31	Nelson E. Fehrsen,	50.00.

There is still another bill of Mr. Marvin, for the October Journal, I thought it best to hold off a little on this and not reduce our balance too much just now, we get next what we pay on the Journal, but not until the year is completed, I will have a bill for the last number shortly, when I get that I can take up a statement for the entire year and get a check from Mr. Huntington for the amount.

I think it might be well to have a severance here of the members of the Society's funds, when the interest money has had any other verticallised, how would it be for you to take a role of these facts some time when you happen to be at the safe deposit vault?

Hope you will get around this way before very long as there are several things I would like to talk over with you.

Very sincerely yours

Oct 29th 1909.

My Dear Mr. Belden,

I had expected to
be with you long before this,

I think we should close out that little account in the Union Square Savings Bank after January 1st, and put it in with the other permanent funds, we will talk that over when I see you.

There will be no other Council meeting on Saturday (December 11) at 2.30 P. M., for further consideration of the Constitution, I hope you will be on hand if it is a possible thing.

Very sincerely yours

December 18, 1909

My dear Mr. Pryor:

I enclose herewith the following checks:-

Mr. Lauren L. Belden,	\$34.72
747, W. Y. Telephone Co.,	9.40
748, United Electric L. & P. Co.,	14.30
749, Consolidated Gas Co.,	1.84
750, W. Y. Telephone Co.,	9.40
751, Wright Gillies,	37.00
752, Walker & Chambers,	13.55
753, Bauman L. Belden, Director,	27.00.

748, to my order, is for two purchases of foreign periodicals that were authorized by the Council, and for which I purchased money orders with my own funds, amounting to \$24.72, and \$10.00 for a supply of postage stamps.

753, is for the Christmas presents authorized by the Council, to which I have added, at Johnson's suggestion, \$5.00 for the people who carry away the ashes.

The other checks are for various bills in regular order.

At the meeting on Saturday we went over the Constitution and By-Laws, as decided at the meeting on the previous Saturday, and made a few minor changes, on next Saturday, (December 18th) there will be an other meeting of the Council, at 8.30 P. M., when a final draft will be submitted.

We are most anxious of having a full attendance at this meeting, as we will pass on the new Constitution in its final form, and it is most important that it is presented to the Society signed by each member of the Council.

Mr. Huntington requested me to ask each member to be present.

I am anxious to see you the first opportunity, to talk over the disposition of the cash in the permanent funds, while waiting investment, I think it will be much better to confine the account in the Lincoln Bank to current funds only, and put the permanent funds somewhere else, as this will simplify our accounts, I now have a check for \$100.00 for a life membership, I will not deposit it until I see you.

December 14 1907

My Dear Mr. Belden

I enclose checks as requested, signed, also receipt for investment of funds, in securities agreed upon by Mr. Huntington and myself, with numbers and descriptions attached, which I hope will be satisfactory to the Council. You may think it a little strange to see that one of the receipts is signed in my hand writing, but do this as a member of the firm of R. & Robinson & Co. Bankers, and not as the Treas. of the Am. Numismatic Soc. Will put the bonds in the Soc. box the first time I am in town. Hope to be with you Saturday but am much occupied in Dec. Wishing you the compliments of the season I am

Sincerely yours
Charles Robinson

Agree with you about the funds and have
left the amount over the investment in a
special deposit ^{and quarterly interest} drawing interest, and I should
suggest that we add to this from time to time
any money we may receive belonging to the
permanent funds, until such time as we may
have enough to purchase more securities, especially
as we are receiving almost as much interest
on this money as we do from the bonds, in
proportion to the amount of purchase, and we
get absolutely nothing from the Lincoln. So let us
use the Lincoln only for the general fund from
which we draw at pleasure.

P.

December 16, 1909.

My dear Mr. Pryer:

Your letter of December 14th with the checks and papers regarding investments came to hand this morning, much obliged.

As you think it well to keep the permanent funds in a special deposit in the City Bank of New Rochelle, I am sending you herewith Mr. Victor D. Brenner's check for one hundred dollars, (life membership fee) to be added to the amount.

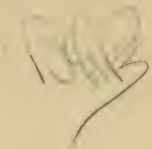

According to my figures, this account now contains \$675.52 and Mr. Brenner's check will make it \$775.52, in addition to which there is the accrued interest.

Will you kindly advise me if this is correct?

As the interest belongs to the current funds, I would suggest that you have it made up and send me a check for the amount, and I will deposit it in the Lincoln Bank, I would also suggest that, immediately after the first of the year, you draw out the money in the Union Square Savings Bank and deposit it with the permanent funds, so that we will have every thing in shape for the audit of the accounts and the annual report.

Hope to see you on Saturday, the meeting will be particularly important.

Very sincerely yours,

December 22, 1909.

My dear Mr. Pryer:

I enclose the following checks for your signature:-

#754, Lyman H. Low, - - - - -	\$2.25
755, United Electric Light & Power Co.,	19.20
756, Thomas Nolan & Sons, - - - - -	19.00
757, W. T. R. Marvin, - - - - -	554.65

The check for Mr. Marvin is for the last two numbers of the Journal, and has been duly approved by the Council.

We had a very nice meeting on Monday evening, the proposed new Constitution was very favorably received, every member who was present signed it, and we will present it at the annual meeting as proposed by all who signed it, in this we want to include all the members of the Council, I presume you have no objection to the use of your name as one of the proposers.

With the compliments of the season,

Very sincerely yours,

December 28, 1909.

My dear Mr. Pryer:

I enclose two checks for your signature:-

\$705, Nelson P. Fehrson, December salary, \$50.00

759, Consolidated Gas Co., 2.00

Please let me have these as soon as possible as I would like to give Fehrson his check on Friday.

Wishing you a very Happy New Year,

Very sincerely yours,

New Rochelle Jan. 10th 1910

January 27, 1910.

My dear Mr. Fryer:

I enclose herewith a proof of the circular to be sent out with the bills for dues, which I hope you, as Chairman of the Finance Committee, will approve.

I expect to have this and the new bills in a day or two, and as soon as I get them I will send out the bills for dues.

Mr. Louis F. Dodd, who was three years behind, has paid up, for which I am very glad, I did not want to drop him, as he is a nephew of John W. Dodd, Jr.

Please return the proof, as I want to compare it with the circulars, when I get them.

Very sincerely yours,

January 28, 1910.

My dear Mr. Pryer:

I enclose two checks for your signature:-

\$760, Nelson F. Petersen, Salary for January, ----- \$80.00,

760, Nathan I. Felden,, Postage, fees for filing certificate,
and various small expenses. - - - - - \$0.15.

I would like to be able to give Petersen his money on Monday if possible.

Very sincerely yours,

January 31, 1910.

My dear Mr. Pryer:

Will you kindly endorse the enclosed check, which is made to your order, and return it to me?

I also enclose the letter that accompanied it and a copy of the letter that I sent, in your case, in reply, which I think covers the ground. It strikes me Mr. Eller just has a peculiar way of keeping his accounts, please return the papers when you are through with them.

If you can give us any help, at any time, in arranging and cataloguing the French medals for exhibition, we will be very grateful, we have a pile of work to do and but little time in which to do it.

Very sincerely yours,

Feb. 1st 1910

My Dear Mr. Belden

I received your note enclosing one from Mr. Elder which surprises me very much, but I now feel very sure that my books for 1908 were correct, for it is practically impossible that we should both make the same mistake with the same person and it looks as though Mr. Elders accounts must be badly mixed. You certainly would not make such an error, as you seem to keep very accurate books, and to tell you the truth I do not believe I would, especially as an inaccuracy of that kind never occurred with any one else during my entire Treasurership of over twenty years. It looks very much to me as though it was "up to Mr. Elder." Will try to be with you soon, about those medals.

Sincerely yours,
Charles Pryer

New Rochelle Feb. 5 1910

My Dear Mr. Belden.

Your note with
Dr. Kewitz check, received and
endorsed as requested. I also
enclose note, as you may
have to show it for identification
of the M. signature.

Sincerely yours
Chas. F. W.

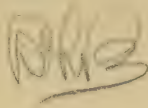

February 14, 1900.

My dear Mr. Fryer:

Will you kindly endorse and return the enclosed P. O. orders for fifteen dollars, from Count of Santa Eulalia, and eighty five cents, from Karl W. Hiersemann ?

Things here are going along rapidly, and we are working day and night to get ready for the exhibition.

Very sincerely yours,

Mr. Charles Pryer,
P. O. Box 647,
New Rochelle, N.Y.

Dear Sir:-

I take pleasure in informing you that the
Governors of this Society have appointed you
Chairman of the Committee on Modern Foreign
Coins, Mr. Frank T. Higgins, The Edgenere,
5 West 104 Street, New York, and Mr. James W.
Ellsworth, 18 East 53 Street, New York, are the
other members of the Committee.

Trusting that this will be agreeable to
you, I am, believe me,

Very truly yours,

Secretary.

February 17, 1910.

My dear Mr. Pryer:-

I enclose herewith check for Fifty Dollars (\$50.) which is for the Associate Life Membership Fee of Mr. A.R. Frey and should be deposited with the permanent funds. I also enclose Mr. Philip Rhinelander's check for Fifteen Dollars (\$15.) which needs your personal endorsement and a post-office order for Fifteen Dollars (\$15.) which also needs your endorsement.

I sent you, on the 12th, two post-office orders, one for Fifteen Dollars (\$15.) and one for Eighty-five cents (\$.85), which I hope you received alright.

The Council has passed a resolution to transfer the balance remaining in the building fund to the endowment fund and I think it might be well to close out the account in the Bankers Trust Company and deposit the money with the other permanent funds. If this is agreeable to you I will make out a check and send it up to you to be signed. I hope you will have time to drop in before long as I have a lot of bills to be passed on by the Finance Committee of which you are Chairman.

With kind regards, I am

Very sincerely yours,

New Rochelle Feb 20th 1910

My Dear Mr. Belden

First I return
~~enclosed~~ the P.O. order and
check enclosed as requested,
and would say that I sent
you several days ago the other
P.O. orders and hope you have
received them by this time. The
check for ~~\$50.00~~ fifty dollars for
the permanent fund I have
also recd. but as you are
going to close out the ~~permanent~~
Trust Co. account I will hold
it until I receive that also and
then deposit them altogether

as so many little certificates of
so nearly the same date become
troublesome, not to me of course, but
to the bank book keepers. Will try to
see you in a few days and attend
to the matters you write about.
Have been pretty well frozen up
here, not so much from the cold
as from the extremely slippery—
condition of the roads. Hoping you
are able to keep warm in the
building I am

Sincerely yours
Wm. H. H.

New Rochelle Mar. 8th 1910

My Dear Mr. Belden,

I enclose check for
Catholic medals one bronze and
one silver, please excuse delay
in sending check, but I forgot
all about it

Sincerely yours
Chas. Ryan,

March 15, 1910.

My dear Mr. Fryer:

I enclose check for \$50.00 from Rev. Dr.

James L. Shaw, for associate life membership fee.

This belongs to the permanent funds, and
should be added to your special deposit.

When are you coming over to see the exhibition? It is great!

Very sincerely yours,

March 28, 1910.

My dear Mr. Fryer:

I enclose a check from Mr. Saltus for \$250.00, for the purchase of models, from the exhibition, for the Society's cabinet.

These purchases will be made by me and credited on our books as donations from Mr. Saltus, but the money does not want to go on the Treasurer's books, please therefore endorse it over to me.

I also enclose the following checks for your signature :-

776, Consolidated Gas Co.	-	-	-	-	44.24
779, N. Y. Telephone Co.	-	-	-	-	5.50
780, Tucker Electrical Construction Co.					17.51
781, Thomas Nolan & Sons	-	-	-	-	47.90
782, United Electric Light & Power Co.					73.30
783, Wright Cillies,	-	-	-	-	50.00
784, Nelson F. Peterson	-	-	-	-	50.00
785, Bauran L. Pelden	-	-	-	-	50.98

Hope you will get over again before the show closes.

Very sincerely yours,

April 8, 1910.

My dear Mr. Fryer:

I enclose check for ten dollars, from Mr.
Edward J. Sewell, for the "Bostonian memorial".

Excuse the short note as I am very busy.

Very sincerely yours,

New Rochelle, April 13th 1910.

My Dear Mr. Belden.

Enclosed please
find check for Cleveland
Medal. Have been laid
up ever since I saw you
and am still on the sick
list.

Sincerely yours
Chas. F. Johnson

April 14, 1910.

My dear Mr. Fryer:

Your letter of yesterday, with check for \$10.00, for the Cleveland medal, has just been received, much obliged.

I am very sorry to hear that you are on the sick list, and hope you will be on deck again very soon.

Very sincerely yours,

April 20, 1910.

My dear Mr. Fryer,

I enclose check for \$10.00, from Father & Mollie, made to the order of Charles Fryer, please deposit a little ink on the back of it and return it to me.

All the medals purchased from the exhibition, as well as the exhibits coming returned to the English exhibitors, are on the good ship Minnehaha, which is a rather uncomfortable situation, I see by the morning paper, however, that there is some hope of saving the cargo, we have plenty of insurance, so if they are lost it will be simply a question of replacement, which can probably be done in most cases.

I feel very much disappointed about it, as I was very anxious to have the medals here soon, so that I could get them arranged before vacation time.

Hope you are feeling better and that we will see you here before long.

Very sincerely yours,

New Rochelle April 22nd 1910

My Dear Mr. Belden.

I enclose check
endorsed as requested.
It does seem hard luck
that our medals were on
the ill fated steamer
especially as there must
be many medals there
that all the insurance
in the world can not
reproduce. Well the only

the only consolation we
have in the matter is
that we can not be
blamed for it, we surely
did not wreck the steamer.
Did Mr. Huntington get
away all right on Saturday?

Sincerely yours
Chas. Poyer,

April 23, 1910.

My dear Mr. Pryer:

If the "Finance Committee" has no objection I would like to send Dr. Marvin \$300.00, on account of the Journal, I enclose check #787 for that amount.

I also enclose checks #788, N. Y. Telephone Co., \$5.30 and #789, Nelson E. Fehrson, \$30.00, I am sending Fehrson's check a little ahead of time, I thought I might as well send it with the others, and keep it until the 30th, when I will date it and give it to him.

I have been informed that Mrs. Groh, who died about a month ago, has left the Society \$1500.00, and the Groh loving cup. The will is to be contested, however, so we can not tell whether we will get it or not.

Hope you are feeling well by this time, and that we will see you here very soon.

Very sincerely yours,

May 8, 1910.

My dear Mr. Fryer:

I enclose a P. O. order for \$5.00, which
I have just received, this is sent out to you,
as Treasurer, and does not need the name of the
Society.

I am just back from a week's trip to Boston
and Hartford, had a very good time and transacted
my business, relative to the Journal, in a most
satisfactory manner.

I hope you are feeling well and that we will
see you here before long.

Very sincerely yours,

My dear Mr. Fryer:

I enclose a P. O. order for \$28.50, which needs your autograph.

Hope you enjoyed your dinner yesterday and will feel no bad effects from the remedy.

Very sincerely yours,

New Rochelle, May 15/1910.

My Dear Mr. Belden.

I enclose P.O.

order signed as requested,
and also Tiffany's receipt
for the Huntington loan.
This does not of course,
go with the general bills
but I thought it might
better be filed away in
some pigeon hole to get
it with the doc. papers

as it surely could not be
kept with my private
documents.

Hoping to see you
in the near future.

I am sincerely yours
Chas. Rye.

May 16, 1910.

My dear Mr. Fryer:

May 31, 1910.

My dear Mr. Fryer:

I find that I made a mistake in the amount of the enclosed check, which should be \$11.90 not \$15.90.

I accordingly enclose a new check for the correct amount, which please sign and mail in the enclosed envelope, also please sign the letter that goes with it, if you think it explains the case, if not write a new letter.

I am asking you to do this as I am going on my vacation in a day or two, and if you sent it back to me it would probably reach here after I would have left.

Very sincerely yours,

as requested, I have just returned from a short trip through Virginia consequently the delay in sending you a report of the July coupons. I collected them before I left home, but did not have time to get up to the Lincoln Nat. Bk. so send you my personal check for them with statement. It was so very warm the early part of the month that I did not feel energetic enough to go to town to cut them off. I expect to sail for Europe on the twenty sixth of this month, but will see you and arrange matters before, or after this week as may next. Hope you stand this continued heat with the same success.

Aug 2nd 1911

My Dear Mr. Belden,

I enclose a receipt I received that is evidently intended for the Soc., why it should have been sent to 32 East 42nd Street I can not imagine as I have not the slightest idea what building covers the number and never had any address in that part of the city what makes it still more surprising is the fact that the address is correct on the bill itself.

Very Sincerely yours
Charles Pryer.

August 3rd, 1911.

My dear Mr. Fryer:-

I have just received your letter of August 1st with the check for \$175.00, and the check, that I sent you, duly endorsed.

Are you decided to go abroad after all. Well, I hope you will have a delightful time. I will look out for you either this week or next. If you should know a couple of days in advance what day you will be here I would be glad if you would drop me a line because I will probably have to go to Philadelphia some day next week to attend to some matters connected with the Journal, and it is important of course that I should see you before you go so that we can arrange for the payment of bills while you are away and I would be in something of a fix if I could not get any money.

As soon as I find out what day I am going to Philadelphia, I will let you know providing I have not heard from you in the meantime.

With kind regards, believe me,

Very sincerely yours,

August 5th, 1911.

My dear Mr. Fryer:-

I expect to go to Philadelphia next Thursday, August 10th, consequently I will not be in New York that day.

Should anything happen to change my plans, I will advise you promptly.

Very sincerely yours,

August 15th, 1911.

My dear Mr. Pryer:-

I enclose a check for \$200.00, which was given to me to use for library purposes by Mr. Greenwood. As this is one of those things that should go into my special funds rather than the general funds of the Society, I would be glad if you would endorse it to my order, and return it to me at your convenience.

I hope you will find time to get up here before you sail, and with kind regards, I am,

Very sincerely yours,

August 17th, 1911.

My dear Mr. Fryer:-

I think it rather better not to use any of the checks, that you left here, as long as you are within reach, and consequently I am sending you herewith a half a dozen checks as follows:-

No. 933	Kronfeld, Saunders & Co.	- - - - -	\$ 13.20
No. 934	United Electric Light & Power Co.	- - - - -	14.80
No. 935	New York Telephone Co.	- - - - -	5.25
No. 936	Consolidated Gas Co.	- - - - -	2.56
No. 937	Bauman L. Belden	- - - - -	10.97
No. 938	F. W. Devoe & C. T. Reynolds Co.	- - - - -	1.10

I expect to be away tomorrow, and as it occurred to me that you might possibly be ~~now~~ ^{over here that day,} here, I called you on a few minutes and left a message to that effect. I still am back so late, and so far as I know it probably will be here all next week, and I hope I will see you again before you sail.

With kind regards, I am,

Very sincerely yours,

August 23rd, 1911.

My dear Mr. Fryer:-

I have been hoping each day that you would drop in as
and that is to arrange so that in case any checks come in for the permanent
funds, I could mail them over to the New Rochelle bank.

I am expecting at almost any time that Mrs. Cron's be-
quest, \$1000.00, may come in, and if it should come in while you are away, I
would like to be able to deposit it promptly with the other permanent funds.
Now, I could use our rubber stamp for the endorsement cutting out the Lin-
coln Bank and putting in National City Bank of New Rochelle as I have fixed
it on the enclosed slip. If I should endorse the checks in that way and mail
them to the New Rochelle Bank to be placed with our special deposit, would
that fix matters all right? Please let me know about this so that I will know
what to do about it.

As there are still a couple of days before you sail, I
will have a most delightful trip.

With kind regards, believe me,

(Signature)

"The Cedars"
Larchmont.

My dear Mr Belden.

Your note to Mr Bryan in regard
to deposits to the New Rochelle Bank came
just as he was getting ready to leave, so he
did not have time to reply. He asked me
to give your letter to Mr. [unclear] at the

Bank and that will probably make
the matter about the same.

Yours sincerely

My dear Mr. Fryer:-

I have just received the post Office Order. Very obligat.
Have been hoping to see you all this week, but I presume you found a great
many things to do when you got back. I presume you received the notice of
the Carroll meeting on Monday evening. As all our people are not yet back in
the City, I feel a little bit uncertain as to whether we will have a success,
so I hope you will be able to let over. I am quite anxious to have a little
chat with you, and hear about your trip.

The Free Library has been paid, and is at present in the
Lincoln Bank.

Everything is going along very nicely, and there is still
a little money left.

With kindest regards, and hoping to see you Monday, I am,

Very sincerely yours,

December 7th, 1911.

My dear Mr. Meyer:-

I have been hoping every day that you would drop in here, and consequently delays writing to you for some little time.

I enclose herewith the Treasurer's report, that I drew up for the regular meeting of November 18th, and would be glad to have you sign it, if you feel like doing so, so that I can file it along with the records.

I still have quite a number of checks left. I have used two or three to pay some necessary things since you got back, and I would be glad to know if I shall continue to do so as long as they last. I have several bills which I will want to pay within the next few days.

You will notice from the report that the balance of the current funds has been running down considerably. The reason of that is the amount of money that has been sent out on account of the Journal, - that will later be put back, and that will bring it up to the normal amount. I am quite anxious to go over all these things with you, and hope you will have time to drop in before very long.

I am also exceedingly anxious to hear about your trip. Saltus has mentioned having seen you in a couple of recent letters.

Mr. Huntington arrived in New York this morning. I have not seen him yet, but presume he will be around this way ~~later this afternoon~~

or tomorrow.

With kind regards, believe me,

Very sincerely yours,

December 24th, 1911.

My dear Mr. [Name]

I have just been looking at the bills in all those
envelopes and will find the correct ones, and I rather regret that I
am sure that you were in no way deceived, that you desired to have the en-
closed bills sent to you.

With very respectfully yours,

Mr. Fryer:-

Will you kindly let me know as soon
you have received the January notices, so I can hold
a couple of bills that I want to pay.

I sent you a notice this morning of
Council meeting on Saturday afternoon. I hope you
will be able to get over, as there are a number of impor-
tant things to be discussed. I would have sent the
notices out sooner, but could not get hold of Mr. Hunt-
ington to see if the time was convenient to him.

Yours faithfully,
Wm. H. Fryer.

January 9th, 1912.

My dear Mr. Brown:-

We had an interesting meeting on Saturday, and were very sorry that you were not with us.

According to my account, you should have on special deposit in the bank \$4475.00, and the interest that has accrued on this amount by the first of January. Will you please let us have a check for the amount of the interest, which will be the current amount, also some sort of a memorandum from the bank showing the amount on deposit, and the interest as withdrawn, as the bank will not let us have. Mr. Brown and Mr. Newell have been made the Auditing Committee, and I expect that they will continue to be so for some time.

I believe the interest due on the first of the year must be about \$475.00, and I would be very glad if you would deposit these coupons as soon as possible, and give me a list of them, as I am holding a number of bills that I am very anxious to pay, until this interest is in the bank. I will send the bank book down to the balance of the last of this year, and to have it sent to the bank, which will be done on January 20th at half past three o'clock. I hope you will manage to get in before then, and I am sure that I will be able to talk to you about it. If I can arrange to do it, I will probably go to Hartford on Monday and possibly not get back until Tuesday night, so do not fail to let me know if you can come to the bank on Monday or Tuesday.

With kind regards, I am,

Very sincerely, yours,

January 16th, 1912.

My dear Mr. Foster:-

It just occurred to me that I forgot to state the name of the society and I presumed on the seven cards, that I mailed to you a few weeks ago, and if you will kindly give them the same name, I will state them as soon as I get them. I intended putting it on after I had received the cards, but I am a little of a hurry to get off your letter, so I must close out without mentioning it.

Very respectfully,
J. H. H. H. H. H.

January 10, 1912.

My dear Mr. Fryer:

Will you kindly sign the enclosed checks, and return them to me:-

E. T. S. Marvin	-	-	-	-	-	1204.72
United Electric Light & Power Co.	-	-	-	-	-	71.57
Wright Gillies	-	-	-	-	-	50.00
N. Y. Telephone Co.	-	-	-	-	-	6.30
Consolidated Gas Co.	-	-	-	-	-	3.04
Thomas Nolan & Sons	-	-	-	-	-	34.45
William W. Fraithwaite	-	-	-	-	-	7.50

I did not number these checks for the reason that I will have to wait until the 1st of March for the money, and in the case of the one for Dr. Marvin, until Mr. Huntington refunds the amount paid on the Journal, and as I have not signed these yet, which I am obliged to do in case I want any thing very quick, I might have to use this and that would interfere with the numbers on the above checks, should I put them on now.

We have a little account of \$27.20, with interest from 1907, in the Union Savings Savings Bank, which is not all used to make the interest smaller, or, was paid down for interest, and transferred the money to the regular account of the bank, which is \$27.20. If you could be willing to do this, it would be a great help. This is in the name of the National College and the National College, and it is a great help to have it done, and that might make it troublesome to get the money.

Hoping to see you soon, and with kind regards, I am,

Very sincerely yours,

I expect to be away on Monday next, and possibly Tuesday.

PEOPLE'S BANK FOR SAVINGS

NEW ROCHELLE, N. Y. *Jan 11* 1912

My Dear Mr. Belden

First I desire to state that all the coupons have been deposited in the Lincoln Nat. Bank, aggregating \$175.⁰⁰/₁₀₀, and you can have it entered in the book whenever convenient. I will attend to the N.Y. deposit as soon as I can get the time; have to speak both to night and tomorrow night so am quite busy. Do not approve of closing the Savings Bank account and shall not do so unless ordered by the Council, my reasons I think are good and I will talk it over when we meet. The book however ought to be written up.

Sincerely yours
Charles Pryer

January 13th, 1912.

Dear Mr. Brewster-

Your letter of January 11th with the checks came duly
which obliged. I have made a note of the deposit of the coupons,
which will be put in the bank book when I send it down to be balanced
and so on.

I am going to Hartford Monday morning. Will probably re-
turn on Tuesday, certainly on Wednesday. I will fix up the Treasurer's re-
port for the annual meeting so as to have it all ready for you. As I like
to get everything, I will probably not complete it before Saturday morning,
while it would be a very good plan to have the Auditing Committee go over it
before the annual meeting, I do not think it is absolutely necessary, and it
may be better to let them tackle it as soon after the meeting as we can get
them here. I am anxious to know if I am correct on the amount in the New Bo-
chelle tank, which I gave you in a recent letter.

Hoping to see you very soon, I am,

Very sincerely yours,

January 27th, 1912.

My dear Mr. Fryer:-

I enclose herewith check

No. 222 Nelson E. Johnson - - - - - \$60.00

which please sign and return to me at your convenience. I am sending this a few days ahead of me to be sure that it will be back by the end of the month.

Very sincerely yours,

January 18th, 1912.

My dear Mr. Fryer:-

I enclose the following items for you

for your signature:-

No. 281	Samuel I. Hayden	-	-	-	-	-	121.80
No. 282	United Electric Light & Power Co.	-	-	-	-	-	22.00
No. 283	James H. Hays & Son	-	-	-	-	-	1.00

Very sincerely yours,

January 28th, 1912.

My dear Mr. Fryer:-

We slipped up on our Council meeting on Saturday as we were one short of a quorum, and the meeting was adjourned until next Saturday. I think that the Finance Committee, consisting of Messrs. Browne and Newell, will be here on Saturday at about 2.30 and to go over the accounts, and if you should find it convenient to get around that early, it would be a very good thing, though, of course, it is not really necessary.

I sent out the bills for the annual dues on the 24th, and they are coming in very nicely. I received forty three checks so far.

I think we ought to invest some of our permanent funds, as we have over thirty seven hundred. I hope you will be able to get around to the meeting next Saturday, as that is one of the things that ought to be discussed.

With kind regards, believe me,

Very sincerely yours,

January 30th, 1912.

My dear Mr. Fryer:-

I enclose herewith two Post Office orders, one from the
Compt. of Santa Fe for \$16.00, and the other from J. de Larente for
12.00, which please enclose and return to me so that I can deposit them. I
also enclose the following two checks:-

No. 984	Consolidated Gas Co.	-	-	-	-	-	-	-	-	\$3.04
No. 985	Merchants Safe Deposit Co.	-	-	-	-	-	-	-	-	5.00

which I would be glad to have you sign.

The dues still continue to come in. I have received
eleven since I wrote to you yesterday.

Very sincerely yours,

February 1st, 1912.

My dear Mr. Fryer:-

I enclose herewith a check for five dollars, which is made to the order of Charles Fryer. Will you kindly endorse it across the bottom in acknowledgment of the Society, and return it to me at your convenience.

Will you, when you have time to bother about it, get me a check from the New Rochelle Bank for the interest on our deposit up to the first of January, so that I can deposit this with the current funds and credit it on the cash book?

We received a few days ago a collection of two hundred and twenty one medals of Joan of Arc from Mr. J. Sanford Saltus, and we have received quite a number of other things since the annual meeting.

With kind regards and hoping to see you on Saturday, I am,

Very sincerely yours,

February 5th, 1912.

My dear Mr. Brewster:-

At the Council meeting on Saturday afternoon a resolution was adopted that the amount of \$3477.20 in the permanent funds should be invested as soon as possible, and you and Mr. Huntington were designated as a committee, with power, to make such investment, also to consider whether it might not be advisable to change some of the present investments, and to report on that at the next meeting of the Council.

The Council meeting on Saturday was adjourned to next Saturday, the tenth, at ten A. M., as there was a ^{Mallory, under} ~~little~~ discussion of ~~the financial situation~~ and the hour was too late. It is rather unusual time to call a meeting, but it was decided that because it was the only time that year at which all of the six members, who were present on Saturday, could arrange to be there.

As Mr. Howell was detained on Saturday, and could not get up here at half past ten, the visiting Committee sat off its meeting until next Saturday after the Council meeting is over, and I trust at least that they will go over the accounts and get that out of the way.

The two Post Office orders and the check bearing your endorsement, and the two checks that you signed were duly received on Saturday.

My Dear Mr Belden,

I am in receipt of
your last communication and in reply
would say: first that I regret much that
I could not get to the meeting on Saturday,
especially as I came ~~down town~~ ^{to the city} on purpose
to attend, but was delayed down town
until too late, now as I do not seem able to
get up to the meetings and as I am not as
strong as I used to be, I think I had better resign
from the Council and also as Treas. as I am no
longer active. I surely can not be at 156th Street at
ten o'clock on Saturday as I would have to leave
home entirely too early, how about the \$ investment
I think Mr. Huntington had better do it alone and
just let me know when you want me to draw
the money from the special deposit and I will
send it to him. Hoping you have been able to
keep warm this winter I am sincerely yours
Charles Pryer.

P.S.

You can you invest \$3477.15 I should think the proper sum to order invested would be 3000 while you leave the rest until it makes another 1000 or more. ~~that~~ and then get another bond however do as you like I am out of it.

January 10, 1912.

Dear Mr. Taylor:-

When I wrote you yesterday I forgot to inform
you of one other important fact; and that is that at the Council
meeting on Saturday you were unanimously elected Treasurer for the
current year.

With best regards and wishes, I am, Mr. Taylor,

Very truly,

Very sincerely yours,

February 7th, 1912.

My dear Mr. Fryer:-

I enclose herewith a Post Office order, which needs your endorsement. It is for one of the Catholic medals, which was sold to Mr. George W. Parent of Montreal in 1910, and I have been trying ever since to get him to pay for it.

With kind regards, I am,

Very sincerely yours,

February 8, 1912.

My dear Mr. Fryer:

I have just received your letter of February 6th., and I want to say, in the first place, that you must think no more of resigning, either as Treasurer or Member of the Council, we need you just where you are, and where you have been for so many years, it would not seem like the same society with any other Treasurer. I am sure that every member of the Council feels just as I do on this subject.

As to the investment of the cash in the permanent funds, I did not intend to convey the impression that the Council desired the investment of the entire amount now on deposit, as that would not be possible, but simply as much of it as could be used in the purchase of bonds, which would probably be in the neighborhood of three thousand dollars, I wrote to you rather hurriedly, having a lot of other things to do at the time, and did not express myself as clearly as I should.

The next Council meeting was called for Saturday morning, instead of afternoon, because that seemed the only time that all the members who were at the last meeting could be present, and it was desired to have the meeting this week, the matter under consideration is in regard to the protection of the collections from theft, and if any thing can be done to make them more secure, the sooner it is decided upon the better. We are very well protected now, but if the protection can be improved upon, so much the better. There are also some other matters that we did not get to at the last meeting, so I suppose the meeting will take up pretty much all of the morning, and after lunch the auditing committee will go over the accounts. We have a very good restaurant a couple of blocks from here, and should you happen to be in the city on Saturday morning, and have time to run up here any time before half past twelve, it would give me the greatest possible pleasure to have you take lunch with me. You would probably be here before the meeting would be over, would see Mr. Huntington, and we could have a little chat about several things that I want to discuss with you.

With kindest regards, believe me,

Very sincerely yours,

February 18th, 1911.

My dear Mr. [Name]:

I enclose herewith the following six checks for
your signature:-

No. 386	Ramond Typewriter Co.	-	-	-	-	-	-	-	2.12
No. 387	Whitcomb & Holt Co.	-	-	-	-	-	-	-	2.00

My dear Mr. Fryer:-

I enclose the following check for your signature:-

No. 992 Fitch Dustedown Co. - - - - - \$5.60

Checks for dues are still coming in nicely, and the members in the main seem to be paying up pretty promptly. There are a few lame ducks as usual who have not paid up for last year, and I suppose we will have to get after them with a stick pretty soon unless we hear from them. I forgot to mention, when I wrote you, that the Auditing Committee went over the books on Saturday, and finally came to the conclusion that neither you nor I had run away with any of the Society's funds as they gave us a clean bill of health on the report.

I am anticipating rather an interesting meeting on Saturday, and I expect some of our people will exhibit some very nice things. Mr. E. H. Adams has promised to give us a little informal talk on the private gold, and I guess he knows more about it than any one.

With kind regards, believe me,

Very sincerely yours,

My dear Mr. Fryer:-

I enclose herewith one more check.

No. 998 Edgecombe Cycle Co. - - - - - \$2.75

that will be a couple of dollars, and I am rather anxious to get

My Dear Mr. Belden,

Enclosed checks, signed,

I enclose herewith a British Post Office Order for \$1 10 00. Will you kindly endorse this and return it to me at your convenience.

I will probably be in Philadelphia on Monday next. I thought it was well to inform you of that, as you expressed an intention in your last letter of coming up here some day soon. Should I decide to put off my trip to Philadelphia until later in the week, I will drop you a line to that effect.

Would it be convenient for you to meet me any morning within the next couple of weeks to arrange about that savings bank deposit as we decided the last time that you were here. Please give me notice at least a day ahead so that I can stop off at 42nd Street on my way uptown in the morning.

Any time that it is convenient for you to do so, I would be glad if you would let me have a check for the interest on the deposit in the New Rochelle bank up to the first of January, so that I can deposit this with out current funds.

My dear Mr. Fryer:-

Much obliged for the check which came to hand to-day. I also received the checks which I sent for your signature.

My dear Mr. Fryer:-

I enclose herewith a communication that I have received from the Board of Mr. Henry L. Westerman, who died a short time ago. It seems to me that, as Treasurer of the Society, you are the one who should sign the attached statement. Will you kindly fix this up at your convenience, and either return the same to me or send them directly to Mrs. Westerman, whichever you prefer.

Very sincerely yours,

April 16th, 1912.

My dear Mr. Fryer:-

I enclose herewith a foreign check for seven shillings,
which kindly endorse and return to me.

As I am very busy just now with the regulations for conferences
and an exercise in Dances, I thought it better to write to you for con-
firmation of my letter of the 11th inst. than to call on you.

Very sincerely yours,

April 19th, 1912.

My dear Mr. Fryer:-

I enclose herewith a Post Office Order for five dollars, which kindly endorse, and return to me at your convenience.

I am hoping that you would drop in for some time lately, as we have been doing a number of things lately, which will, no doubt, interest you. Mr. Huntington will probably sail for Europe some time next week. He expects to be at the meeting on Monday night.

My dear Mr. Fryer:-

I have just received your note with the two checks for \$31.03 and \$3.79 for interest on the deposit in the New Rochelle Bank. Is this for the interest up to the first of January, or does it include anything later? I am a little puzzled as to this on account of there being two checks.

I have also received the two checks that I sent to you to be signed.

My Dear Mr. Belden,

Your note received concerning about the interest on the certificates of deposit in the Nat. City Bank of N.Y. The amount of both checks are only to Jan 1st 1912. They were drawn in that way because there were two certificates, one for a considerable amount that we have had for some time, and a small one that had only been running for a few months on Jan. 1st. You will remember you sent me some money near the close of the summer of 1911. This I think explains the situation.

Sincerely yours

Hoping to see you sometime in the near future, I am,

Very sincerely yours,

May 10th, 1912.

My dear Mr. Pryer:-

I received this morning a bill from the Addressograph Company for \$.11, which makes the amount due them \$1.74 instead of \$1.63. I am, therefore, enclosing you a check No. 1023 for \$1.74 to take the place of the check for \$1.63 sent you yesterday. If you have already signed and returned the other check, please sign this one also and send it to me, and I will destroy the other.

Very sincerely yours,

P. S. I enclose check No. 1028 New York Telephone Company \$5.60, which I overlooked in making up the last lot.

May 18th, 1912.

My dear Mr. Pryer:-

I received the checks all right. Much obliged. I enclose herewith the Addressograph check, which we did not use, with your signature crossed off.

I think it possible that we may not have a quorum at the Council meeting on Saturday. If you should happen to be in the city that day, couldn't you come up?

I am going to Boston next week and will probably be away a good part of the week.

Hoping to see you before very long, I am,

Very sincerely yours,

Aug 2, 1912.

My dear Mr. Fryer:-

I enclose herewith the following three checks, which
please pay to the order of the National Bank of Chicago.

No. 1029	Consolidated Gas Co.	-	-	-	-	-	-	-	6.00
" 1030	Samuel L. Selden	-	-	-	-	-	-	-	27.47
" 1031	Nelson E. Johnson	-	-	-	-	-	-	-	20.00

I have just gotten back from the coast after a
most satisfactory trip.

With kind regards, and hoping to see you before very
long, I am,

Very sincerely yours,

June 3rd, 1912.

My dear Mr. Bryer:-

I enclose herewith four checks as follows:-

No. 1032	Library Bureau	-	-	-	-	-	-	-	-	-	2.25
" 1033	C. W. Evans & Co.	-	-	-	-	-	-	-	-	-	1.88
" 1034	The United Electric Light & Power Co.	-	-	-	-	-	-	-	-	-	1.00
" 1035	New York Telephone Co.	-	-	-	-	-	-	-	-	-	1.00

I have been hoping to see you up here for quite awhile.

There are quite a number of things that I am real hoping of - that I would like to talk to you about, and I hope sometime before very long we will be able to fix up that little Savings Bank account.

I know your place is looking very pretty now. It has certainly been waiting a long time for the kind of owner to make it shine again.

Hoping that you are well and that I will see you soon, I am,

Very sincerely yours,

June 10th, 1912.

My dear Mr. Pryer:-

Will you kindly endorse and return the enclosed money order for \$5.00, which is the dues of a recently elected associate member.

Very sincerely yours,

June 25th, 1912.

My dear Mr. Fryer:-

I enclose the following three checks:-

No. 1041	Consolidated Gas Co.	-	-	-	-	-	-	-	-	\$ 8.00
No. 1042	Edison Electric Light & Power Co.	-	-	-	-	-	-	-	-	22.30
No. 1043	Nelson P. Pehrson	-	-	-	-	-	-	-	-	60.00

You, no doubt, remember that when you were here a few days ago you signed a check for Pehrson with some other checks. I dated that check June 30th without thinking that June 30th is Sunday. For that reason I am sending another check for him, and also the check that you signed which please destroy.

I expect to go away for a week or more on Saturday, and I would be very glad if you would send these checks out as I will get them not later than Friday.

Very sincerely yours,

July 22nd, 1912.

My dear Mr. Pryer:-

I got back from the country last week after having a very pleasant time.

Would it be convenient for you to meet me at the 42nd Street subway station any morning this week or next to fix up that savings bank account? Please give me if possible a couple of days notice, and let me know just what time to meet you.

I enclose herewith the following three checks, which please sign and return at your convenience:-

No. 1044	George Damon & Sons	-	-	-	-	-	-	-	-	-	\$2.16
No. 1045	New York Telephone Co.-	-	-	-	-	-	-	-	-	-	5.70
No. 1046	Library Bureau	-	-	-	-	-	-	-	-	-	15.00

Have you deposited the coupons due on the first of July? If so, kindly let me know so that I can enter them in the cash book.

I have just been sending out the bills to all those who have not as yet paid this year's dues, forty in all.

Things here are going along quietly and smoothly. I have just received some very nice things from Mr. Saltus.

With kind regards, I am,

Very sincerely yours,

July 24th, 1912.

My dear Mr. Pryer;-

I enclose herewith Post Office Order
for \$5.00, which needs your endorsement.

Very sincerely yours,

July 25th, 1912.

My dear Mr. Pryer:-

I enclose herewith a check from Mr. A. Piatt Andrew for fifteen dollars, which is made to your order. Will you kindly deposit a little ink on the back. I also enclose a couple of checks for your signature.

No. 1047	Bauman L. Feiden	-	-	-	-	-	-	-	-	12.75
No. 1048	Nelson P. Fehrson	-	-	-	-	-	-	-	-	30.00

With kind regards and hoping to see you soon, I am,

Very sincerely yours,

August 3rd, 1912.

My dear Mr. Fryer:-

I have just received your letter of July 31st, and I am exceedingly sorry to hear that you are laid up. I hope, however, that the trouble will soon be over, and you will get around as lively as usual.

Mr. Browne is now at Atlantic Highlands, and I think his trips to New York are not very frequent. I expect for that matter to be a little uncertain myself for the next two or three weeks, as I will spend a good part of the time at home, and only come down as I may find it necessary. I spent two weeks in the country in July, and will take the remainder of my vacation in that way. I will write to Browne on the subject, and see what I can do, though, of course, it may be some days before he would have a chance to go after the coupons, or I would have a chance to deposit them. I do not suppose there is any immediate hurry as our balance is all right for the present, and we get no interest at the Lincoln Bank.

When you feel up to see ^{me} visitors, I would be glad to run over some day and have half an hour chat with you. I will probably not be in New York again before next Friday, so if you should want to write to me in the meantime it would be well to write to Elizabeth.

With kindest regards, I am,

Very sincerely yours,

August 13th, 1912.

My dear Mr. Pryer:-

I enclose herewith the following seven checks, which kindly sign and return to me at your convenience:-

No.	1049	Consolidated Gas Co.	-	-	-	-	-	-	-	-	\$ 4.88
"	1050	United Electric Light & Power Co.	-	-	-	-	-	-	-	-	21.80
"	1051	Hammond Typewriter Co.	-	-	-	-	-	-	-	-	1.50
"	1052	Ben G. Green	-	-	-	-	-	-	-	-	2.50
"	1053	Henry Chapman	-	-	-	-	-	-	-	-	7.50
"	1054	W. I. R. Marvin-	-	-	-	-	-	-	-	-	500.00
"	1055	New York Telephone Co.	-	-	-	-	-	-	-	-	5.50

Very sincerely yours,

August 13th, 1912.

My dear Mr. Pryer:-

I have just gotten here after several days absence, and find a letter from Mr. Drowne in which he says that he will get these coupons the first opportunity he has. He wants to know just what coupons he is supposed to get, and I will send him a list of the bonds that were due on the first of July.

If I remember right there was sometime ago a bond that was six months behind on its interest. Can you tell me if this is so, and which bond it is, and if it is the interest due on the first of last January that is payable now, or if the coupon due the first of July is to be paid and the older one not?

Kindly let me know about this at your earliest convenience, so that I can inform Mr. Drowne.

Trusting that you are feeling better, and will be all right again very soon, I am,

Very sincerely,
Wm. H. Pryer

My Dear Mr. Belden.

I sign checks as requested,
think Mr. Marvin terribly careless
but as an old man I suppose
we must excuse him. I am a
little late, but I met a couple
of old Virginia friends, who
would have been offended if
I had not lunched with them.

They were no less sojourners than
the squires of the old English
manors of Westover, Hollywood
Hall and Brandon, and I
did not wish to offend them
as they are charming gentlemen
and I am to visit them in the
Autumn at their seats.

Hoping there will be nothing
else I dream up in my absence

August 26, 1912.

My dear Mr. Pryer:

I enclose a check made to your order, without "Treasurer", and as I will want to deposit it the next time I send any thing to the bank, I will ask you to put your name on the back. I am sorry to trouble you while you are away, but this is not a very serious undertaking, so I guess you will not mind.

Hoping that you are having a good time, and feeling well, and with kind regards, I am,

Very sincerely yours,

September 10th, 1912.

My dear Mr. Pryer:-

I think you informed me that you expected to be away for about two weeks, so I presume you are at home again by this time.

On August 25th I mailed you, & Mr. Irving Putnam, Lake Umbagog, N. H., a check for \$15.00 from Mr. Luther K. Tuttle which needed your endorsement, and as I have not so far received it from you I begin to fear that it may have gone astray. Will you kindly advise me about it at your earliest convenience so that if the check has been lost I can notify the maker to that effect.

With kindest regards, and hoping that you had a good time while away and are feeling first rate again, I am,

Very sincerely yours,

My Dear Mr. Keldin,

I arrived home
Saturday evening, but have
not been near the Lake since
the latter part of August, consequently
did not receive the check you
sent, but this morning it was
returned to me by mail so
is.

September 19th, 1912.

My dear Mr. Fryer:-

Your letter of September 15th with Mr. Tutthill's check came duly to hand. I am glad to hear that you are home again, and hope that you had a pleasant time while away, and are feeling first-rate by this time.

I enclose herewith a Post Office Order for \$1.91 from Karl W. Hiersemann, which needs your endorsement. I also enclose the following three checks for your signature:-

No. 1058	New York Telephone Co.	-	-	-	-	-	-	-	-	-	5.65
" 1059	Consolidated Gas. Co.-	-	-	-	-	-	-	-	-	-	5.44
" 1060	United Electric Light & Power Co.-	-	-	-	-	-	-	-	-	-	27.86

~~I am also thinking of arranging matters to fix up that~~
Savings Bank account sometime before the close of the year, so as to get it out of her way. There is another matter that we ought to attend to, and that is to secure the dies of the old membership medal. I presume they are in the hands of the party who use to strike the medals before we cut the Archaeology out of the Society's name. They certainly ought to be here in the Society's collection now that they are no longer in use. Can you not arrange so that we can get them. If you happen to be in New York sometime before very long, I hope to have the chance to have a little chat with you about this and some other matters. I may possibly be away Tuesday or Wednesday of next week, other than than you will probably find me here any other time.

With kind regards, I am,

Very sincerely yours,

September 24th, 1912.

My dear Mr. Fryer:-

I enclose herewith the following five checks for you signature:-

No. 1061	Library Bureau	-	-	-	-	-	-	-	-	-	\$32.00
" 1062	Roovers Brothers	-	-	-	-	-	-	-	-	-	4.50
" 1063	Henry Chapman	-	-	-	-	-	-	-	-	-	4.00
" 1064	Department of Water Supply, Gas & Electricity	-	-	-	-	-	-	-	-	-	3.70
" 1065	Nelson P. Pehrson	-	+	-	-	-	-	-	-	-	60.00

I would like to have these by Monday next if possible so that I can give Pehrson his salary on the last day of the month.

I hope that the checks and the Post Office order that I sent you on the 19th reached you safely.

I am going out of town this afternoon, but expect to be back about noon Friday.

With kind regards and hoping to see you before very long, I am,

Very sincerely yours,

New Rochelle Sept. 24th 1912

My Dear Mr. Belden;

For convenience to you
I will meet you at the Grand
Central Depot on Thursday
Sept. 26th at ten thirty o'clock
when we can finish up
that Savings Bank matter.
Hope you will get this in
time as there was some delay
in our getting your last envelope.
Sincerely yours,
Charles F. Fox,

September 27th, 1912.

My dear Mr. Pryer:-

On my return today after being away since Tuesday night I received your letter of September 24th also all the checks, that I had sent for your signature. I presume my letter of September 24th, in which I stated that I was going away, reached you before Thursday morning, so that you would not expect to meet me at that time. If you can make a similar appointment for some morning next week I will not dissappoint you again.

I see that the Savings Bank is down at Union Square, and I suppose the quickest way to get there will be by going down to Fourteenth Street in the subway. In that case would it not be as well for me to wait for you on the downtown platform of the subway station instead of meeting you at the Grand Central Depot. Of course if you should prefer me to meet you at the Grand Central Depot I will do so, and in that case whereabouts in the depot shall I meet you as it is rather a large place.

With kindest regards, I am,

Very sincerely yours,

October 17th, 1912.

My dear Mr. Pryer:-

I enclose herewith the following seven checks for your signature. I will be glad to have these as soon as convenient, as I get a discount on one of the bills for prompt payment.

No. 1066	Abramson, Engelsner Co.	-	-	-	-	-	-	-	52.77
" 1067	New York Telephone Co.	-	-	-	-	-	-	-	2.75
" 1068	United Electric Light & Power Co.	-	-	-	-	-	-	-	51.70
" 1069	Consolidated Gas Co.	-	-	-	-	-	-	-	7.60
" 1070	Koenig & Schuster	-	-	-	-	-	-	-	7.75
" 1071	Fannacher, Schlemmer & Co.	-	-	-	-	-	-	-	1.75
" 1072	Geo. Damon & Sons	-	-	-	-	-	-	-	2.75

I hope we can arrange to fix up that Savings Bank account sometime before very long. I will hold myself in readiness to meet you at any time provided I get a notice the day before. On Saturday of this week I will be away, but it is not likely you would want to attend to it then.

I am very anxious to get hold of the dies of our old membership medal. I find that the last medal that was engraved was on March 22nd, 1907, by E. T. Bedford Engraving Co., which was then at 21 John Street, but has since moved to 3 Cortlandt Street. I presume they will have the dies.

Saltus has been back for a week or more, and I have seen him a number of times. He has had quite a little to say about the trip that you and he took while you were abroad.

Hoping to have the pleasure of seeing you before very long,
I am,

Very sincerely yours,

New Rochelle Oct 19 1912.

My Dear Mr. Belden.

Would have written you long ago about the Savings Bank, but have been, and am still sick at home. Hope however to be well again next week so if you do not hear to the contrary will meet you on Thursday next at Grand Central waiting room at about

ten thirty o'clock A.M. The dies
must be where you state and
we should get them. Enclose
checks.

Sincerely yours
Chas. J. Fox.

October 20th, 1912.

My dear Mr. Pryer:-

I find that I made a mistake in making out check No. 1074 which should be for \$9.50 instead of \$2.50. Will you kindly sign a new check, and let me have it at your convenience. The incorrect check with your signature crossed out I return herewith.

Very sincerely yours,

October 25th, 1912.

My dear Mr. Fryer:-

I enclose herewith the following four checks, which I would be glad if you could let me have by the thirty first so that I can give Pehrson his salary on that day. I will have a few more later.

No. 1073	Harracher, Schlemmer & Co.	-	-	-	-	-	-	-	3.02
" 1074	Library Bureau	-	-	-	-	-	-	-	9.50
" 1075	Fauran L. Felden	-	-	-	-	-	-	-	11.70
" 1076	Nelson P. Pehrson	-	-	-	-	-	-	-	60.00

I hope your hand is getting better, and you will be able to write ~~again~~ ^{soon}, so that you can sign checks and do any other stunts that you may desire.

I have called a Council meeting for next Friday evening, as there are some important matters that want to be decided. As your trouble is with your hand and not with your feet, we will hope that you will be able to favor us with your presence on that occasion.

With kindest regards, believe me,

Very sincerely yours,

*I will fix up a letter regarding
those dies, and send it over for
Your signature in a day or two.*

October 30, 1912.

My dear Mr. Pryer:-

I enclose herewith a letter regarding the membership medal dies. If this seems all right to you, will you kindly sign it and return it to me, and then I will send down for them.

Hoping that your hand is all right by this time, I am,

Very sincerely yours,

January 10, 1911.

My dear Mr. Fryer:-

The check that I sent for your signature was returned with
same back on Monday, but you did not sign and return the check that I sent
you on the same day regarding the delivery of the membership card. If
that check was not cashed by you, I would be glad to have it at your con-
venience. I am sure you will not let me hear from you again.
Another meeting.

I enclose herewith the following checks for your account:-

No. 1077	Harvard Typewriter Co.	-	-	-	-	-	-	-	-	1.00
No. 1078	E. F. Devon & C. T. Reynolds Co.	-	-	-	-	-	-	-	-	1.00
No. 1079	United Electric Light & Power Co.	-	-	-	-	-	-	-	-	1.00
No. 1080	Consolidated Gas Co.	-	-	-	-	-	-	-	-	7.25
No. 1081	New York Polaroid Co.	-	-	-	-	-	-	-	-	6.85
No. 1082	John W. Wadsworth	-	-	-	-	-	-	-	-	1.25

Yours to see you before very long.

Very sincerely yours,

The Cedars Nov. 7th 1912

My Dear Mr. Belden,

Your note regarding
the dies got in the wrong mail
bag and went half way across
the state, through some mistake
in the P.O. and I only got it a
few days ago, but you must have
it by this time, unless it was

sent by the same route. There was
no mistake for this error as it was
perfectly correctly addressed.

I would have been with you
last week but the day was so
stormy that I did not dare
venture out.

Sincerely yours

Chas Poyer

November 9th, 1912.

My dear Mr. Pryer:-

Your note of November 7th and the letter regarding the dies came duly to hand, and without making any unnecessary trip around the state as was the case with the letter that I sent you. I will send down for the dies in the early part of next week.

I presume you have received the notice for the meeting on the sixteenth of November. You will see that the subject for exhibition and discussion at that meeting is Gold and Necessity Coins, and, of course, it is desirable to get as many members as possible to exhibit pieces of this character. It has occurred to me that with your fine collection of gun money you might help along with this very materially by bringing over such selection as would seem to you interesting, and of course any other interesting piece which that you might happen to have. Our own collection contains, I believe, only 15 or 20 specimens of gun money, perhaps not even that many, and while we have a very considerable exhibit of silver coins of our own, we will not be able to exhibit in that particular series. I have a promise of an interesting exhibit from Mr. Ischoff, but I am rather of the opinion that the pieces he will show will be of a different character, probably largely those of unusual value. I think it likely that one or two others may bring a few things, but unless you can help us out I do not believe that there will be any gun money to speak of, and that certainly is a most important series of necessity money.

I have duly received all the checks that I have sent you to be signed.

With kindest regards, and hoping to see you soon, I am,

Very sincerely yours,

November 11th, 1912.

My dear Mr. Fryer:-

I sent down today and obtained the dies of the old membership medal so that is all right. I find however, that The F. H. Radford Engraving Co. has eight bronze medals and two silver medals, one of the silver medals being engraved with the name of Henry T. Tapley, the remainder blank. I presume the medal engraved Henry T. Tapley was refused on account of an error in the name. Mr. Tapley's name is Henry F. Tapley. Do you remember whether you ordered any quantity of medals struck to be engraved ~~and be~~ delivered as ~~they were~~ called for, or whether that was done by these people on their own responsibility. I naturally want to get hold of these medals as we do not want our membership medals floating around where other people might get hold of them and engrave their own names on them. I have written a letter to the Radford Company, of which I enclose a copy, and I would be glad to get any light that you can throw on the subject so as to know how to act when I get a reply from them.

Very sincerely yours,

November 19th, 1912.

My dear Mr. Fryer:-

Sorry you could not be with us at the meeting on Saturday. I enclose the report that I presented for you. If it is all right, will you kindly sign it, and let me have it for my file. We had a decidedly interesting meeting, though the exhibits were not particularly large. There were a few pieces of gun money shown by Mr. Chapman.

Trusting that you are feeling well, and enjoying this delightful weather, I am,

Very sincerely yours,

November 21st, 1912.

My dear Mr. Fryer:-

Will you kindly sign and return the enclosed check:-

No. 1038 T. P. Marvin & Son - - - - - 1000.00

at your convenience.

Mr. Huntington arrived yesterday. I have not seen him
as yet.

With kind regards, I am,

Very sincerely yours,

November 29th, 1912.

My dear Mr. Fryer:-

Tomorrow is the last day of the month, and I forgot all about Fehrson's check. I enclose it herewith. Will you kindly send it back to me as soon as possible. I enclose an envelope with a special delivery stamp, which may hurry it along a little.

Very sincerely yours,

December 3rd, 1912.

My dear Mr. Fryer:-

Fehrson's check came to hand yesterday, and I am much obliged to you for sending it so promptly.

I sent out notices yesterday for a Council meeting on Saturday afternoon, and I hope you will be able to get over. Mr. Huntington will be here, and there will be some rather important matters for discussion.

Very sincerely yours,

December 13th, 1912.

My dear Mr. Fryer:-

I enclose herewith the following six checks, which I would be glad if you would sign and return them at your convenience:-

No. 1085	Peuran L. Selden	- - - - -	\$37.34
No. 1086	New York Telephone Co.	- - - - -	5.65
No. 1087	Consolidated Gas Co.	- - - - -	6.84
No. 1088	United Electric Light and Power Co.-	- - - - -	43.18
No. 1089	Department of Water Supply, Gas and Electricity	-	3.30
No. 1090	The C. H. Brown Company	- - - - -	9.00

I have been sending out bills to all those who have not paid up, and I find on adding them up that the amount now due the Society is \$355.00. It seems to me as considerable for this season of the year. I am rather in hopes that a considerable portion of them will pay up this month as our bank balance is getting pretty low, and we have nothing more coming in until after the first of January.

With kindest regards and hoping that you will get around this neighborhood before very long, I am,

Very sincerely yours,

December 27th, 1912.

My dear Mr. Fryer:-

I enclose herewith the following five checks for your signature:-

No. 1091	Nelson E. Fehrson	-	-	-	-	-	-	-	-	\$60.00
No. 1092	Thomas Nolan & Sons	-	-	-	-	-	-	-	-	33.80
No. 1093	William Vail-	-	-	-	-	-	-	-	-	32.32
No. 1094	Water & McLoughlin Co.	-	-	-	-	-	-	-	-	54.00
No. 1095,	Central Supply Co.	-	-	-	-	-	-	-	-	25.40

Wishing you a very happy New Year, I am,

Very sincerely yours,

December 30th, 1912.

My dear Mr. Fryer:-

I have just received the enclosed check for fifteen dollars, which is made to your personal order. Will you kindly endorse it, and return it to me at your convenience.

As the checks, which I sent for your signature on Friday last, will reduce the Society's balance to rather a low figure, will you kindly deposit the coupons, that are payable on the first of January, as early as possible, and advise me when such deposit is made so that I can enter it on the book. Might I also ask if you will kindly send a check for the interest for the permanent funds on the special account in the bank in New Rochelle up to the first of January sometime before the annual meeting, and at the same time get a memorandum from the bank as to the amount of special deposit to be filed with the annual report.

Wishing you a very happy New Year, I am,

Very sincerely yours,

January 9th, 1912.

My dear Mr. Fryer:-

I have just received your letter of January 8th ^{enclosing} and the letter from the Cashier of The National City Bank giving the certificates of deposit, and from which I note that the interest due December 31st amounted to \$138.28, and I would be very glad if you would send me a check for that amount as soon as possible so that I can deposit it before the annual meeting. I would not bother about the interest on the \$50. which is deposited in the same bank, at the present time, (as you say that would be a very small amount) until we have some more money and want to add that \$50. to a new certificate of deposit.

I have just received the enclosed letter from The Lincoln National Bank, from which it would appear that you cut off and deposited the wrong Chicago, Milwaukee & St. Paul R. R. coupon. If you can fix this up in the course of a few days, I will be very glad so that the account will be credited when the book is balanced. I will send the book down to the bank to be balanced with what checks I have to deposit about the middle of next week as by that time all the checks, that we have sent out, will, no doubt, be in. I will not make any more checks before the annual meeting if I can avoid it.

Our Joan of Arc exhibition is going along in an exceedingly satisfactory manner. We had a fine crowd at the opening, and the attendance since then has been very good indeed. You must get up the first opportunity.

The annual meeting is called for half past eight o'clock on Saturday, January the eighteenth. I expect to send out the cards either Saturday or Sunday. I hope you will be able to be here.

Will you kindly return the letter from the Lincoln Bank when you are through with it, so it will explain to the Auditing Committee the reason for the charge of twenty-five dollars. The Auditing Committee has not yet been appointed, but I will have that attended to at the next meeting of the Council, which will be held on Saturday evening before the meeting of the Society.

Very sincerely yours,

January 14th, 1913.

My dear Mr. Fryer:-

Your letter of January 13th and the C. V. & St. P. R. R. coupon have just been received. I will send the coupon down to the bank within the next couple of days.

I enclose herewith a Post Office order for \$2.02, which needs your endorsement. I would be glad if you would send this back to me as soon as possible so that I can get it in with my deposit before the annual meeting.

I hope you will be able to get over to the annual meeting on Saturday evening. I will have the treasurer's report all ready for you by that time.

Very sincerely yours,

January 21st, 1913.

Mr. Charles Fryer,
P. O. Box 647,
New Rochelle, N. Y.

My dear Mr. Fryer:-

It gives me great pleasure to inform you that at the annual meeting of this Society held January 18th, 1913, you were unanimously re-elected a member of the Council to serve for a term of five years.

Trusting that this will be agreeable to you, I am,

Very sincerely yours,

Secretary..

January 21st, 1918.

My dear Mr. Fryer:-

Mr. Todd and Dr. Martin have consented to act as Auditing Committee, and unless something should happen to prevent will meet here to go over the accounts at half past two on Thursday, January 24th. While it would be very nice indeed to have you here at that time, it is not absolutely necessary for you to come if you find it inconvenient. I hope, however, that you will be able to attend the Council meeting on Saturday, which is very much more important.

Will you kindly let me have the check for the interest the first convenient opportunity.

I expect to have the bills for this year from the printer within the next couple of days, and will send them out as soon as received.

We had a great meeting on Saturday in spite of the small crowd. Mr. Huntington came in a few minutes after you left, and after the regular business was disposed of, a discussion was started regarding the policy of the Society in the way of exhibitions, publications, &c., which lasted until about 12 o'clock and which was most interesting, and I think will be helpful to us all.

With kind regards, I am,

Very sincerely yours,

January 24th, 1913.

My dear Mr. Fryer:-

I enclose herewith a Post Office order for \$5.00 which needs your signature. I would be glad if you would let me have it at your convenience, as I want to make a deposit pretty soon. Also if you would let me have the check for the interest on the certificate of deposit.

The Auditing Committee went over the books yesterday, and found them all right, but there was one thing that neither of us thought of and that is the bank book showing your deposit of \$50.00 in the savings account of the New Rochelle bank. Will you kindly bring this with you the next time you come over, so that I can show it to the committee and have the report signed.

When will it be convenient for you to meet the committee at the safe deposit vault and check over the books? Mr. Todd and Dr. Martin say that they will be ready at any time that will suit you, and if you will let me know I will communicate with them. Please give me at least one day's notice so that I can be sure of getting hold of them.

With kind regards and trusting that we will see you at the Council meeting tomorrow afternoon, I am,

Very sincerely yours,

NEW YORK ATHLETIC CLUB

I was very sorry to hear that your old enemy has gotten hold of you again, and I hope that you will be feeling all right very soon. I suppose that that will mean you will not get over to our meeting, but let us hope that you will be well enough to do so.

The letters Mar. 15th 1913.

My Dear Mr. Belden

I am in a fearfully unpleasant condition to day with my foot and can hardly sit up long enough to sign these checks and write these few lines. Regret that I can not be with you, but you know the reason

Sincerely yours

Chas. Pryer,

March 19th, 1919.

My dear Mr. Pryer:-

Your letter of March 15th with checks, &c. came duly to hand. Most sorry, I am very sorry to hear that your foot is still troubling you. Hope by this time it is much better, and that you will be feeling all right again very shortly.

You like things French, and we have here now a great collection of French medals relating to the revolution of 1848. You ought to get up to see them the first opportunity.

I enclose herewith the Treasurer's report, which I presented at the last meeting. If this is satisfactory to you will you kindly sign it and send it back to me, and will you kindly sign the following two checks, which I enclose:-

No. 1120	The C. F. Brown Company	-	-	-	-	-	-	-	19.00
" 1121	T. F. Thomas & Co.	-	-	-	-	-	-	-	5.98

I would be glad to have those two checks as soon as convenient, as one of them is for a bill that I am rather anxious to pay promptly.

With kind regards, I am,

Very sincerely yours,

March 28th, 1913.

My dear Mr. Fryer:-

I see by the paper this morning that you not only attended the Huguenot Society dinner last night, but carried a flag, and I hope that after your efforts on that occasion you still have enough energy left to sign the following five checks:-

No. 1122	Bauman L. Belden	- - - - -	31.13
" 1123	Department of Water Supply, Gas and Electricity	- - -	3.00
" 1124	United Electric Light & Power Co.	- - - - -	38.56
" 1125	Consolidated Gas Co.	- - - - -	7.12
" 1126	Nelson P. Fehrson	- - - - -	60.00

In my last letter to you I mentioned the collection of French medals of the Revolution of 1848, which we have here now. This collection is an exceedingly interesting one, as you will realize as soon as you see it. It contains over fifteen hundred specimens, and can be purchased for the Society for two hundred dollars, which is certainly a great bargain. I have just received fifty dollars from Mr. Saltus toward this purchase, and I hope to make up the remaining hundred and fifty among our various good friends. If you feel like giving us a boost, whether large or small, it will be very welcome.

I trust you are feeling all right again by this time, and hope to see you up here before very long.

Very sincerely yours,

New Rochelle Mar 29/13

March 29th, 1912.

My dear Mr. Pryer:-

I enclose herewith Mr. Huntington's check to the order of this Society for five thousand dollars. This covers his subscription of twenty five hundred dollars and Mr. Seltus' subscription of a like amount to a new fund, the interest of which is to be used for the purchase of specimens for the Society's collection. The third subscription of twenty five hundred dollars from Mr. Samuel F. Avery will be received sometime in the course of the next couple of weeks, and I will forward it to you as soon as I get it. Please drop me a line or receipt of this, as it is a large amount and I would be glad to know of its safe arrival.

Mr. Seltus informs me that your old enemy has a grip on your foot again. I trust at this time you are feeling better, and that we will see you before long.

Dear Mr. Fryer:-

Your letter of March 23th came duly to hand, and I am very sorry to hear that the Worcester Society Banquet had such a bad effect on you, still let us hope that you will soon be feeling yourself again. It is rather hard to be kept in doors now that we are having a little spring weather.

I trust that the check for five thousand dollars, that I sent you last Saturday, was received all right. This will give us over sixty six hundred dollars in the permanent funds, and in the course of a week or so I expect to have twenty five hundred dollar more, so it seems to me as good as invested is pretty soon. I had hoped that you would be able to be at the Council meeting on Saturday so that we could discuss this matter.

I am sending herewith check No. 1127 New York Telephone Co. \$5.75 for your signature. All the other checks, that I have sent you, have been duly received.

Hoping to see you very soon, and with kind regards, I am,

Very sincerely yours,

My dear Mr. Fryer:-

I enclose herewith a check from Mr. Samuel P. Avery for twenty five hundred dollars, which is his contribution to the new fund. Will you kindly deposit this with the other permanent funds, and I would be glad if you would keep us a line advised of its safe arrival.

I have just received your letter of March 1st, and we are glad to hear that you are well again. I hope your foot will be all right again very soon.

Here is a little more hard work for you, the following six checks to be signed:-

No. 1128	The Numismatist	-	-	-	-	-	-	-	-	-	38.25
" 1129	Thomas Nolan & Son	-	-	-	-	-	-	-	-	-	37.95

" 1133	Hammacher, Schlemmer & Co.-	-	-	-	-	-	-	-	-	-	3.89

I hope you are feeling well again by this time, and that we will see you at the meeting on Saturday. We have over eleven thousand dollars to invest, and I want to bring this up at the Council meeting.

I think we will have a most interesting meeting of the Society as we will have a very fine exhibition of the coins that are to be discussed at that meeting, and a couple of good papers regarding them. We will also have some interesting donations to report and exhibit. Try and get over if you can.

With kind regards, believe me,
Very sincerely yours,

April 19th, 1913.

My dear Mr. Pryer:-

I enclose herewith a check for five dollars which is made to your order. Will you kindly endorse it just above the Society's ^{signature} name, and let me have it as soon as possible as I want to make a deposit early next week.

With very kind regards, I am,

Very sincerely yours,

April 23rd, 1913.

Vy dear Mr. Pryer:-

At the meeting of the Council on Saturday a committee was appointed consisting of the Treasurer, Mr. Huntington and Mr. Adams to invest the money belonging to the permanent funds that is now on deposit, which I believe amount to \$11,160.00. It might be well for you to meet with the other members of the committee when you are in the city, and arrange about this. I do not know just how soon Mr. Huntington will go away, or in fact anything about his plans for the summer, but he usually leaves New York in April or May.

I enclose herewith the following five checks which need you sinature:-

No.	1134	H. L. Judd Company	-	-	-	-	-	-	-	-	1.13
"	1135	M. Karasik	-	-	-	-	-	-	-	-	3.00
"	1136	Ames & Rollinson	-	-	-	-	-	-	-	-	20.00
"	1137	The Whitehead & Hoag Co.	-	-	-	-	-	-	-	-	128.32
"	1138	Nelson P. Pehrson	-	-	-	-	-	-	-	-	60.00

I trust that the check, I sent you last Saturday to be endorsed, reached you safely.

With kindest regards, and hoping that you will be able to get around here sometime before long, I am,

Very sincerely yours,

April 24th, 1918.

Vy dear Mr. Pryer:-

The Council has decided to name the fund of \$7500. THE SAMUEL P. AVERY FUND FOR THE PURCHASE OF COINS AND MEDALS, and has decided to ask for further contributions to this fund in any amount, large or small.

I enclose herewith a check for \$100. from Mr. Edward E. Adams as a contribution to be added to this fund. I notice that it is made out to the order of the Avery Memorial Fund, and I should say that you should endorse it in that way, Avery Memorial Fund, Charles Pryer, Treasurer.

There are two other subscriptions of \$100. each to this fund from Mr. Browne and Mr. Waterbury. These have not as yet been paid in, and when I receive the checks I will forward them to you.

Please advise us of the receipt of this check so that I will know it reached you safely.

My Dear Mr. Belden

I return checks signed,
and endorsed as requested. In your note of
April twenty third you ask if I have received a
check for endorsement. In reply I would say
that I have returned all the checks to you
that I have received, (signed or endorsed) since
the last \$2500 check that I put duly with the
other funds. If you have sent me any since
then for return, I have not received it, and you
had better look it up, as I do not know anything
about it. The twenty five hundred dollar checks
were deposited. Now let me know when your
committee have selected their securities and
I will send you the money or all I have. I do
not pretend to know how much the Soc. has in
it, as I kept no account of it leaving that to you.
But it is all in the name of the Soc. So if anything
happens to me it will give you no trouble at

get it. Hoping nothing has gone astray. I am

Sincerely yours

Chas. F. J. P.

April 26th, 1913.

My dear Mr. Pryer:-

The enclosed communication and check I thought was mailed to you on April 19th, and I have just found it stuck in my minute book. I put this with my other papers for the Council meeting thinking that you might be here, and intending if you did not come to mail it after the meeting, and in that way it got mixed up with the other papers and was overlooked.

Very sincerely yours,

April 28th, 1913.

My dear Mr. Pryer:-

Your letter of April 25th with the various checks has just been received. As regards the check, which was sent for your endorsement, and which you did not receive, I sent that to you on Saturday with a letter explaining why it had not been sent before as I had supposed, so that is all right and you have, no doubt, received it before this.

The check from Mr. Edward D. Adams for one hundred dollars for the Avery Fund should not have been returned to me as it goes in with the three checks for \$2800, which you received sometime ago, and I accordingly return it herewith. Will you kindly advise me of its receipt. As regards the Avery Fund, I have been directed by the Council to send a circular to each member requesting subscriptions in any amount with the idea of bringing it up, if possible, to the amount originally specified by Mr. Avery of \$10,000, or more than this, if the members feel sufficiently generous. This check from Mr. Adams is the first additional subscription I have received. Mr. Crowne and Mr. Waterbury have each promised one hundred dollars, which will, no doubt, come in in the course of a few days, and whatever checks I receive for this I will send to you. Instead of having a printed circular, which is very apt to be ineffective, I am writing letters to each member regarding this fund, and sending them off as fast as I can get them written. As you know all about the fund, it seems hardly necessary to write you a special letter about it, so I will consider this as a notice to you, Mrs. Pryer and your son.

I presume the country looks very pretty around your place now. I have had a good many fruit blossoms of various kinds, and things look quite promising.

With kind regards, and hoping to see you before very long, I am,

Very sincerely yours,

I presume you received the notice for the Council meeting on Saturday, and I hope that you will be able to get over as there will probably be some important matters for consideration, and it will give you a chance to talk with Mr. Huntington about the investment of the funds.

Mr. Saltus is going abroad next week, and Mr. Newell is due to arrive here from Europe on Wednesday or Thursday of this week.

With kind regards, believe me,

Very sincerely yours,

May 19th, 1913.

My dear Mr. Fryer:-

I enclose herewith a check to \$100 from Edward I. Newell,
which is my contribution to the Army Trust, and should be deposited with the
money in the permanent funds.

With kind regards, believe me,

Very sincerely yours,

NEW YORK ATHLETIC CLUB

May 21st 1913.

My Dear Mr. Belden,

I write to inform you that the bonds have been ordered in accordance with Mr. Huntingtons instructions and will be purchased at once, as soon as I have the returns I will inform you. That five dollar check that you gave me last Saturday was made out to your personal order, so it looked as though I could not use it for the soc, as you had not endorsed it. but I took the liberty to endorse your name for

myself as Pres. and then got the
City Bank of N.Y. to guarantee it so
I think it may go through as it is
so very small, if it should not I
will return it. I leave town
tomorrow morning for a short
trip, but will be back the first
of the week.

Sincerely yours

Chas. F. Ryan,

May 23rd, 1913.

My dear Mr. Pryer:-

Your letter of May 21st came duly to hand. I am sorry that I did such a stupid thing as to give you that five dollar check without endorsing it, but I trust it will go through all right.

I am sending you herewith another check for the Avery Furd, properly endorsed this time, Fifty dollars, from Mr. Walter C. Heath.

I trust that Mr. Newell's check for one hundred dollars, which I sent you on the 19th, reached you safely.

I enclose herewith check No. 1146 drawn to my order for 146.00, which kindly sign and return at your convenience.

Trusting that you will have a pleasant trip, and hoping to see you here again before long, I am,

Very sincerely yours,

May 26th, 1913.

My dear Mr. Pryer:-

I enclose herewith the following four checks for the Avery Fund:-

Henry R. Drowne	100.00
Miss Rachel T. Farrington	10.00
C. J. H. Woodbury	10.00
Thomas L. Elder	5.00

This makes four hundred and eighty dollars that we have received so far, in addition to the original three subscriptions of twenty five hundred dollars each.

I also enclose the following five checks for your signature:-

No. 1149	Fauman L. Felden, Trustee	- - - - -	34.02
" 1150	Kronfeld, Saunders & Co.	- - - - -	24.71
" 1151	P. Engesser	- - - - -	76.00
" 1152	Consolidated Gas Co.	- - - - -	7.28
" 1153	Nelson P. Fehrsor	- - - - -	60.00

The check to my order is for a bill that I wanted to pay quickly, and so paid it myself without waiting to get a check from you.

Very sincerely yours,

May 26th, 1913.

Mr. Charles Pryer,
P. O. Box 647,
New Rochelle, N. Y.

Dear Mr. Pryer:-

I enclose herewith a copy of a report made by the Librarian to the Chairman of the Committee on Library, which I have been directed, by the Council, to send to each member of the Council for his information.

Very truly yours,

Secretary.

May 29th, 1913.

My dear Mr. Pryer:-

The checks have just been received. Much obliged.

I notice that the St. Louis and San Francisco Railroad has gone into the hands of a receiver. How is that going to effect the two one thousand dollar bonds that the Society holds?

Trusting that you had a pleasant trip, and with kind regards, I am,

Very sincerely yours,

June 6th, 1913.

My dear Mr. Pryer:-

Mr. Browne gave me the receipted bill for the purchase of eleven bonds for \$10,826.77, and I have made the regular record of it.

We had altogether in the permanent funds \$11,640, and according to my figures this purchase leaves us a balance of \$1113.23. Would it not be a good scheme to buy another bond out of this balance while they are selling low? It would make quite a little difference in the interest that we receive, and if we leave it until we accumulate enough ~~until we are able~~ to buy several bonds, it is very likely we will have to pay a higher price.

I enclose herewith the following two checks for your signature:-

No. 1184	The Imperial Engraving Co.	-	-	-	-	-	-	-	-	\$ 3.00
" 1185	United Electric Light & Power Co.	-	-	-	-	-	-	-	-	20.12

With kind regards and hoping that you will find time to get up here before very long, I am,

Very sincerely yours,

June 12th, 1913.

My dear Mr. Fryer:-

I enclose herewith a check for \$10.00 from Speyer & Company. This is a contribution to the Avery Fund from Mr. Emil Fuchs, of London, and should be deposited with the permanent funds. I also enclose the following two checks, which kindly sign and return at your convenience:-

No.	1156	Hammond Typewriter Co.	-	-	-	-	-	-	-	-	8.02
"	1157	Williar Funke	-	-	-	-	-	-	-	-	1.00

I have just sent out bills to those who have not so far paid up; seventeen members - \$245, and twenty one associate members - \$135.

With kind regards, believe me,

Very sincerely yours,

June 13th, 1913.

My dear Mr. Fryer:-

I enclose herewith check No. 1138 for E. Green \$1.00, which
kindly sign and return to me when you feel like it.

Very sincerely yours,

June 18th, 1913.

My dear Mr. Pryer:-

I enclose herewith check for \$60.00 for Pehrson's salary for June. I am sending this some little time ahead, and have not as yet put the number on it because I want to have it here by Friday of this week as I am planning to go away for a few days either Saturday or Monday, and I want to be able to leave this check here in case I should not be back on the first of the month. I would, therefore, appreciate it if you would let me have this not later than Friday.

With kind regards, I am,

Very sincerely yours,

June 21st, 1912.

My dear Mr. Pryer:-

I enclose herewith the following checks for your signature:-

No.	1160	United Electric Light & Power Co.	-	-	-	-	-	-	-	-	-	119.46
"	1161	The Numismatist	-	-	-	-	-	-	-	-	-	28.38
"	1162	Consolidated Gas Co.	-	-	-	-	-	-	-	-	-	4.80
"	1163	The E. Engesser Co.	-	-	-	-	-	-	-	-	-	24.75
"	1164	Thomas Nolan & Sons	-	-	-	-	-	-	-	-	-	16.02
"	1165	Fauman L. Elden	-	-	-	-	-	-	-	-	-	6.10

I would be glad to be able to pay these bills before the first of the month if possible.

Mr. Edgar H. Adams has just informed me of the issue of a medal for your New Rochelle celebration, and I hope you will bear in mind that the Society is always in a receptive mood regarding things of this kind.

I am going away for a couple of weeks on Monday, but Mr. Wood will be here, and will take charge of whatever comes in, including the above mentioned checks.

With kind regards, believe me,

My Dear Mr. Belden

I have just returned from New York where I have been since Friday receiving the French delegates, the account of which I ~~see~~ ^{presume} you have seen in the papers. I am almost used up, but have to give the address of welcome to night in French and tomorrow will be still more active, and indeed all this week so do not expect me to write again very soon. I will get you one of the medals, and will loan you my official badge in quilt after this week.

Very truly yours
Charles Pryer,

June 25th, 1913.

Mr. Charles Pryer,

New Rochelle, N.Y.

My dear Mr. Pryer:-

Your favor to Mr. Felden at hand, and as you may know Mr. Felden has gone off on a two weeks fishing trip expecting to break the fishing market, if he is at all lucky in depleting the brooks of trout. He told me to open this letter for you, and see that the bills were paid with the checks that you sent.

Trusting that the French delegates will not use you entirely up, I remain,
Very truly yours,

July 26, 1912.

Dear Mr. Fryer:

I sent you yesterday a notice of a meeting of the Council for Thursday, July 21, at four o'clock. This is called to consider what to do about Fehrson, and it is most important that the matter should be decided without delay, his vacation will be over early in August, about the third, and I must know what to do with him when he gets back.

If you can possibly attend this meeting please do so, it is doubtful if we can get a quorum without you, as so many of our people are away.

With kind regards, and hoping to see you on Thursday, I am,

Very sincerely yours,

July 2nd, 1913.

Vr. Charles Pryer,

Dear Sir:-

Mr. Pelton has directed me to send you the enclosed two check, the one, which you have already signed, to be destroyed, and the other one, which needs your signature, to take its place. The making out of these two checks was due to an error caused by the Standard Typewriter Company in reckoning its bills.

Respectfully yours,

M. Rilly.

July 14, 1913.

My dear Mr. Pryer:

I got back here on Saturday, had a very pleasant time while away. I found some bills waiting to be paid, accordingly I send you the following checks to be signed:-

I suppose you will have quite a long story to tell, can't you drop in and "swing the yarn" before long? How about the July coupons? Please let me know when they are delivered so that I can enter them in the cash book.

I enclose for the Society a medal ~~of the~~ of the festivities.

July 24, 1918.

My dear Mr. Pryer:

I have your letter of July 21st, with check for \$478.00. I was in Philadelphia for a day, which is the reason it was not acknowledged sooner.

Can you inform me when the interest on the eleven bonds purchased a while ago is payable? As a considerable portion of the interest on these bonds is to be used for the purchase of cions and medals, I am anxious to know when it becomes available, as that will naturally govern our action in making purchases, things that we need turn up from time to time, and it is important to know when we will be able to pay for them. I have now a small account, amounting to \$10.41, with Elder, for some things we got at his last two sales and a couple of things purchased from him. I think it will be well to pay it and charge it against the Avery fund, as we will have some interest from that fund before very long, and the amount is so small that it will cause no inconvenience to advance it. The check for Elder that I am sending you is for a larger amount, but the remainder is for the account of the American Journal of Numismatics - back numbers needed, and on which we will make a profit some time.

I enclose the following checks for your signature:-

1172 Library Bureau	-	-	-	-	-	-	-	7.35
1173 Thomas L. Elder	-	-	-	-	-	-	-	25.26
1174 United Electric Light & Power Co.	-	-	-	-	-	-	-	23.90
1175 W. W. Devoe & C. L. Reynolds Co.	-	-	-	-	-	-	-	.90
1176 Thomas Nolan & Sons	-	-	-	-	-	-	-	11.05
1177 Fauman L. Pelden	-	-	-	-	-	-	-	21.25
1178 Nelson P. Pehrson	-	-	-	-	-	-	-	60.00

You state in your letter that you enclose a couple of receipts that were sent to you by mistake, I only found one receipt in the envelope.

With kind regards, and hoping to see you soon, I am,

My Dear Mr. Belden

I enclose checks as requested. Now if you had looked on the other side of my last note to you, you would have found both your questions answered there. The new bonds pay on Sept 1, at one semi annual coupon of \$50⁰⁰, each, and I also stated in a P.S. of my last, that there was only one receipt to return to you after all.

Sincerely yours
Chas Pryer.

July 28th, 1913.

My dear Mr. Pryer:-

Your letter of July 25th and the seven checks came duly to hand. Much obliged.

It was rather stupid on my part not noticing that there was something on the other side of your previous letter. I have looked at it, and find, as you say, that both my questions were answered at that time.

I enclose herewith my check for two dollars. This is a subscription to The Samuel P. Avery Fund from Mr. Frank D. Andrews. Mr. Andrews gave it to me in cash, and as I do not like to send cash through the mail I am enclosing my check for the amount.

With kind regards, and hoping that you will be able to get to the meeting on Thursday, I am,

Very sincerely yours,

August 28th, 1918.

My dear Mr. Fryer:-

I am sending herewith the following seven checks, which I would be very glad to have you cash as possible:-

No. 1174	Consolidated Gas Co.	-	-	-	-	-	-	-	-	-	-	-	-	1.9
" 1180	New York Telephone Co.	-	-	-	-	-	-	-	-	-	-	-	-	2.2
" 1181	The Numismatist	-	-	-	-	-	-	-	-	-	-	-	-	18.8
" 1182	United Electric Light & Power Co.	-	-	-	-	-	-	-	-	-	-	-	-	21.2
" 1183	Geo. Damon & Sons	-	-	-	-	-	-	-	-	-	-	-	-	2.2
" 1184	Ben G. Green	-	-	-	-	-	-	-	-	-	-	-	-	2.0
" 1185	Nelson P. Pearson	-	-	-	-	-	-	-	-	-	-	-	-	20.0

It seems to me a very long time since we have had a visit from you. Can you manage to run up sometime before very long?

With kind regards, and hoping that you are enjoying this delightful weather,
I am,

Very sincerely yours,

August 26th, 1913.

My dear Mr. Fryer:-

I find there is one more bill I want to pay, accordingly I enclose
check No. 1136 S. W. Reese & Co. \$3.35.

Very sincerely yours,

September 3rd, 1913.

My dear Mr. Foxworth:-

I enclose herewith Check No. 11187 to the order of the Collector of Assessments and Arrears for \$1030.26. This check is in payment of certain assessments for the opening of Riverside Drive, and is a matter that has been hanging fire for several years. It now becomes necessary to pay the assessment which is ^{now} due in protest, and all possible steps will be taken to have the money refunded, but it is absolutely necessary that this money be paid to tomorrow before two o'clock. Arrangements have been made for refunding the money to the Society again, which I will explain to you when I see you.

I have just telephoned to your house, and been informed that you are expected back late this afternoon, and that it is possible that you may come to New York tomorrow. Should you do so, and if it is inconvenient for you to come up here in the morning, if you will kindly call on me (about 11 AM) any time after ten o'clock, I will meet you any where in the City that will be convenient for you, or if you are not coming to the city, and can arrange to meet me in the Hotel, I will either come out there, or send a messenger out for the check. If I do not get a telephone from you in the morning, say between ten and eleven, I will expect to see you here, and will be ready to send the check down to the Pay Office as soon as I get it.

With kindest regards, believe me,

Very sincerely yours,

September 4th, 1913.

My dear Mr. Pryer:-

I sent out yesterday notices of a Council meeting to be held at Mr. Drowne's office, Wednesday, September 10th, at 3.30 P. M. As there are some exceedingly important things to come before the Council, and this season of the year it is very hard to get a quorum on account of so many members going away, I hope you will attend the meeting if it is a possible thing. I have assurances from four members of the Council and it takes five to make a quorum, so if you can be there it will help us out, and it is hard to tell whether we will have a quorum without you or not.

With kind regards, I am,

Very sincerely yours,

September 16th, 1913.

My dear Mr. Pryer:-

I believe you informed me that the interest on the bonds, that were purchased sometime ago, comes due the first of September. I would be glad to know if these coupons have been deposited so as to keep the cash book up to date.

With kind regards, and hoping that you can get around this way before very long, I am,

Very sincerely yours,

September 25th, 1913.

My dear Mr. Pryor:-

Your letter was duly received, and I have had the interest credited on the bank book.

I enclose herewith check No. 1196 for sixty dollars for Pehtson's salary for September. I would be glad if you would let me have this between now and the last of the month.

My dear Mr. Pryer:-

I mailed you on Saturday a notice of a Council meeting to be held here on Friday afternoon of this week at half past three. In selecting a time for this meeting, it occurred to me that there might be a better chance of catching you on Friday instead of Saturday, which was the principal reason for making it that day. As there are important matters to get out of the way, and as there are a good many of our people out of town, I hope you will get around if you can arrange to do so.

With kind regards, believe me,

Very sincerely yours,

October 17th, 1913.

Dear Mr. Pryer:-

I enclose check for \$25.00 from Mr. Robert James Eidlitz which is a contribution to the S. P. Avery Fund, and should go in your special deposit.

Very sincerely yours,

October 20th, 1913.

My dear Mr. Pryer:-

At the Council meeting on Friday afternoon the following resolution was adopted:-

Resolved, That, in view of the fact that Mr. Pearson has been incapacitated since July 1st, last, and an other man employed to take his place, he be paid in full to December 31st, and that his services be dispensed with, and further, that the premises now employed by him be vacated at his convenience, but not later than December 31st.

As this resolution appears to call for an immediate payment of the full amount up to December 31st, I am sending for your signature check No. 1202 \$180.00, also check No. 1201 Thomas L. Elder \$10.20.

I also enclose a check for \$50.00 for the associate life membership fee from William F. Beller, who was elected an associate member on Friday. This, of course, should be deposited with the permanent funds.

Very sincerely yours,

Cleveland, to the effect that he was in Europe and would return in November, and my letter would be given to him then. I do not know, of course, just what time in November he will be back, and as he has already shown some interest in the Society, I feel very much in hopes that he would be willing to exhibit, but it occurs to me that you might be able to encourage him a little bit in that line, and if you can I hope you will do so, as some of his pieces are most important.

With kind regards, and hopes to see you soon after my return, I am,

Very sincerely yours,

I returned on Monday morning from my trip to Chicago and some other places. The last check on the list is to cover the expenses of the trip. This was taken for the purpose of securing exhibits for the proposed exhibition next winter, and was authorized by the Council. I am very glad to say that the trip was most satisfactory and will result in some fine exhibits.

Hoping to see you before very long, and with kind regards, I am,

Very sincerely yours,

Letter No. 534 P. O., New York, N. Y.
 Received for registration Nov 11, 1913, from Chicago
 address to Mr. J. Sanford Saltus, 100 E. 4th St., New York, N. Y.
 Box 647 San Francisco, Calif.
 class postage prepaid. Postmaster, per

November 17th, 1913.

My dear Mr. Pryer:-

I enclose herewith a check from Mr. J. Sanford Saltus for five thousand dollars to be deposited with the permanent funds. This check establishes a new fund called THE J. SANFORD SALTUS MEDAL FUND, and the income from it is to be used for the striking of a medal from time to time to be awarded either to sculptors who have distinguished themselves in the line of medallion art, or those who have done good work for numismatics either by writing or in other ways. The details of the plan will have to be worked out by the Council, and in the meantime it would be better for you to deposit this check with the other permanent funds.

I have been hoping for sometime that you would get around this way, as there are various things that I want to talk over with you.

We are getting along very nicely with the preparations for the exhibition, and I think it will be a most successful one.

Mr. Huntington got back to New York a few days ago. I have not seen him yet but expect to very soon.

With kind regards, I am,

Very sincerely yours,

Dec 20th 1913.

My Dear Mr. Belden.

Your letter of this morning surprised and worried me very much, for the checks sent me by you on Dec 15th were duly received signed and returned immediately. I probably received your letter on the eighteenth and returned the checks signed not later than the 19th or 20th. I have spread of the sixteenth row before me with all the checks tallied and marked signed and returned, and I remember signing them well; they are as follows.

No 1235 Charles Ellis & Co.	20.00	1244 J. K. Marvin & Son	54.00
" 1236 Wm. Panamaker	25	1245 Antioch	
" 1237 J. L. Alder	15.80	right of writer.	49.75

1239 The Hammerhead	33.33	any careless mistake in	
1240 J. W. Nolan & Son	7.25	the address for I always

1242 Wm. W. K. Simpson & Co.	6.45	with you in the envelopes	
1243 J. C. Thomas & Co.	5.50	addressed in front. Now	
		the only thing I can	

~~I am~~ I think possible is that the letter must have
got lost in the Christmas crush. While I do not think
anyone would attempt to use the checks made to
order, still you had better stop them at once at the
Bank (if they have not been presented) and then it
would be safe to issue duplicates, but before doing
this please make sure that you have not mislaid
them in your desk or around the building. I rarely delay
returning checks to you over a day or two, especially
at this time of year. In summer I may be away
on a trip or a cruise, but rarely or never in winter
and even if I am too busy to write a letter I will
sign and return checks. Now hoping the checks will
turn up, and wishing you a Happy New Year
I am

Sincerely yours
Chas. F. Johnson

" 1249	Consolidated Gas Co.	-	-	-	-	-	17.81

I would be glad to have them in time to pay these bills before the first of the year.

On December 16th I sent you eleven checks to be signed, which I have not, as yet, received. I trust that they have not gone astray.

With kind regards, and the compliments of the season, believe me,

Very sincerely yours,

My dear Mr. Fryer:-

I have just received four checks, Nos. 1246 to 1249, that I sent you on December 26th.

On December 16th I sent you the following eleven checks, which have not, as yet, been received. Will you kindly advise me if you have received and returned them.

January 2nd, 1914.

My dear Mr. Fryer:-

I have sent a memorandum of the checks lost to the bank with directions to stop payment on them. I am sending you herewith the eleven duplicates, which I will send out as soon as I hear from the bank that none of the originals have been presented. It seems a curious thing that these should have disappeared in this way, and I think it more than likely that they will turn up in some unexpected way sometime. However, this is the only thing to do because the bills must be paid, and some of them should have been paid before this.

With kindest regards, Believe me,

Very sincerely yours,

New Rochelle Jan. 3rd 1914

My Dear Mr. Belden

I am returning
you the checks again signed and
hope this time they will reach you
safely. I would like to say here
however that there are not the
only letters I have had trouble with
lately; first a legal document of
importance was never heard of
then a check of some amount sent
to a New York firm was lost in the

mail, and more recently, checks sent
~~to~~ the P.O. to several local tradespeople
failed to arrive, so it would look
as though there was a weak spot
somewhere, and the fact that the local
letters were not properly delivered
would make me think it might be
~~at~~ this end; I have spoken to the
Postmaster, but nothing has come
of it as yet.

Sincerely yours
Chas. Ryan

Please let me have these as soon as possible so that I can send the checks out early in the week. I will send you the bank by the 11th. I have too much to do for the week of mailing.

Dear Mr. Belden

I have cut of the coupons but have been given by the bank a number of blanks to sign with regard to the income tax, for although I do not think we will have to pay the tax we will have to go through a lot of forms.

The coupons are as follows.

3 Western Ind	\$ 60.00
1 Michan. Tex	20 00
2 " " " " " "	20 00
4 Southern Pac	80 00
4 Mich. Traction	100 00

2 Erie Rfr. Prior Lien	40 00
2 N. Y. Sus. & Westn	50 00
2 St Louis San Francisco	40 00
2 New Orleans Terminal	40 00
	<u>\$ 475 00</u>

Subject to whatever the law may require in taxes if any

Sincerely yours Charles Pryer

January 14th, 1914.

My dear Mr. Pryer:-

I have your letter of January 13th with the two checks and money order duly signed.

As regards the income tax on the coupons, I am of the opinion that organizations of the character of this Society are exempt from paying any income tax, and in any event our gross income is only sufficient to pay the running expenses of the Society, leaving no net income unless the income from the Avery fund and Groh fund used for the purchase of coins was considered, and that is too small to be taxed, and none of it is included in the coupons coming due on the first of January.

I will send the bank book to the bank to be balanced on Saturday so that all our deposits will be in and outstanding checks paid.

The preparations for the exhibition are going merrily on, and we expect to be in shape on Saturday and show many nice things.

Trusting that you will be feeling well enough to attend the annual meeting, and with kind regards, I am,

Very sincerely yours,

January 14th, 1914.

My dear Mr. Pryer:-

Will you, at your convenience, let me have a check for the interest on the special deposit at the New Rochelle Bank, except the interest on the five thousand dollar Saltus Medal Fund. It would seem to me that it would be better to let the interest on this fund remain until the Council has decided what steps to take in the way of establishing the Saltus Medal. Will you also get from the Bank a certificate of the amount on deposit so that we can have it for the auditing committee. I will try and get an auditing committee at the Council meeting on Saturday, and will see when the books can be audited the first opportunity after the annual meeting.

My dear Mr. Pryer:-

I beg to advise you that the accrued interest

holds, amounts to \$11.94 as of January 1st, 1914.

THE CENTURY ASSOCIATION
7 WEST FORTY-THIRD STREET

Jan 16th 1914

My Dear Mr. Belden,

In answer to your
last I would say first;
the interest on the ~~status~~ \$5000
is eleven dollars and ninety four
cents \$11.94 for which I enclose
you the cashiers statement as
voucher this is of course to
Jan 1st 1914. Now for the
interest on the small sums
you have sent me from time
to time, which of course I could
get a special certificate of
deposit for and had to put
them into the interest department

with the small balance left over
 from our last investments
 so it is impossible to tell just
 how much belongs to the special
 fund or how much belongs
 to the general reinvested fund,
 only a few cents to the ~~total~~
 special as they have only been
 there a very short time, the
 deposits to the special fund are
 as follows -

June 17	\$ 10 00
Aug 1 st	2 00
Oct 22 nd	50 00
Nov. 11	25 00
Total to fund	<hr/> \$ 87.00

The total amount of interest on
 funds in interest department
 is \$21.13 including that on
 the old balance. The \$50 & \$25 did
 not start to draw interest until
 Jan. 1st 20, you only have to
 reckon 3 1/2 per cent on twelve

dollars for the fund. Now in
depositing the coupons a few
days ago I had lots of trouble
in the declaration and it took
me over two hours to make
out the ~~two~~ forms for the
government with the help of
the bank officials and they
informed me that I got the
idea with considerable quickness.
I agree with you in thinking
the tax does not apply to us,
but you have to make out the
forms all the same, and the
government will return us
what they see fit. Do you want
me to send you the interest
department bank book or keep
it for the auditors?

Sincerely yours
Chas. F. [unclear]

January 23rd, 1914.

My dear Mr. Pryer:-

I enclose herewith a post office order for five dollars, which needs your endorsement.

I will send you the Treasurer's annual report for your signature this afternoon or tomorrow.

We had a most interesting meeting on Saturday, and were very sorry that you could not be here.

Hoping to see you very soon, I am,

Very sincerely yours,

January 24th, 1914.

My dear Mr. Fryer:-

I enclose herewith the Treasurer's annual report. If this is satisfactory to you, will you kindly sign it and return it to me. I also enclose the following fifteen checks for your signature:-

about the matter.

January 27th, 1914.

My dear Mr. Pryer:-

Your letter of January 26th with the various enclosures has been received. Much obliged.

I received your letter of January 18th, but have not taken the time to write you regarding the interest question as I have been so busy with matters connected with the annual meeting and the exhibition that I thought I would put this off until I had a little breathing spell, especially as the Auditing Committee has not yet been appointed. I will write you on the subject in the course of a few days.

I had a call the other day from Mr. Ebenezer Beesley, of New Rochelle. Mr. Beesley is considering applying for membership in the Society, and says that he knows you. I would be glad to know if he is all right, so that in case he should apply we will be in a position to act on his application the first opportunity.

With kind regards, and hoping to see you soon, I am,

Very sincerely yours,

I enclose herewith check for five dollars from Mr. W. H. Adams, which needs your endorsement having been made out to you personally. Will you kindly endorse, and return it to me at your convenience.

Will you kindly endorse the enclosed post office order for fifty cents. I received it just after sending you my last letter.

I enclose herewith check for five dollars,
which is sent to your order without the Treasurer. Will you

My dear Mr. Pryer:-

I enclose herewith a post office order for five dollars from Mr. J. S. Tyrrell, which needs your endorsement.

I have just had a very pleasant call from Mr. J. S. David-land. He looked over the things that we ran to show, and seemed quite interested. Much obliged to you for sending him.

Very sincerely yours,

February 6th, 1914.

My dear Mr. Pryer:-

It is surprising how people will persist in paying out checks to Charles Pryer when the bills plainly state that it should be Charles Pryer, Treasurer. Here is another one for five dollars from Ben. Thomas A. Haughton-Burke, which please endorse and return to me.

I also enclose the following twelve checks for your signature:-

R. Max Mehl's check, which I sent to you for your endorsement a few days ago, was received this morning. Much obliged.

At the Council meeting on Saturday a resolution was adopted instructing the Treasurer to invest \$3000 of the Salus fund, and \$1000 of the other permanent funds, in New York City 4 1/2 bonds, or in other good securities, at his discretion. The idea being to reserve \$1000 of the Salus fund for the design and dies of the Salus medal.

According to my books, the amount of cash that you have at present deposited in the permanent funds, exclusive of interest, is \$3000 in the J. Sanford Salus Metal Fund, and \$1200 in other funds, making a total of \$4200. Of this I presume a certain portion is covered by certificates of deposit and the remainder in the Savings Department. Can you get from the bank statement of the amount of the certificates of deposit, and let me have this together with the pass book of the savings department balanced as to the time of the annual meeting so

that when the auditing committee tackles the books this information will be at hand.

As regards the interest on the funds other than the Saltus fund, I will be glad to have a check for that at your convenience. The interest on the Saltus fund would better remain as it is, and accumulate until we are ready to draw on the fund to pay for the making of the medal.

With kindest regards, and hoping that you will be able to get up here while the exhibition lasts, I am,

Very sincerely yours,

*I enclose with this letter
a check for the interest on the
Saltus fund. I hope you will
be able to get up here while
the exhibition lasts. I am
very sincerely yours,
J. H. P.*

February 9th, 1914.

My dear Mr. Pryer:-

I enclose check for five dollars from F. R.
Fancher, an other man who has left off the "Treasurer."

When are you coming over to see the exhibition?
It is well worth a trip from New Rochelle.

Very sincerely yours,

February 11th, 1914.

My dear Mr. Pryer:-

I found the notice from the Safe Deposit Company, which I had mislaid, and I see that it has changed its name, and that it is the Greenwich Safe Deposit Company instead of the Merchants Safe Deposit Company. I therefore return the check that you signed, and send with it a new check properly made out for your signature.

Very sincerely yours,

February 21st, 1914.

My dear Mr. Fryer:-

I enclose herewith a post office
order for 1 £ 7 d., which needs your endorsement.

Very sincerely yours,

February 21st, 1914.

My dear Mr. Pryer:-

I enclose herewith check No. 1279 to order of Henry Chaotian for one hundred dollars. Will you kindly sign this check, and let me have it as soon as possible, as it is important to get it off within a very few days.

Very sincerely yours,

February 25th, 1914.

My dear Mr. Pryer:-

Another man has left off the "Treasurer". I enclose the check for ten dollars. Will you kindly endorse it, if you will simply write your name above our stamp that will be sufficient.

With kind regards, and hoping that you have not been frozen up in the last few days, I am,

Very sincerely yours,

March 4th, 1914.

My dear Mr. Fryer:-

I enclose herewith the following seven checks for your signature, and I would be glad to have them as soon as convenient as a couple of these bills should be paid promptly.

With kind regards, and hoping you have not been snowed in during the last few days, I am,

Very sincerely yours,

March 3th, 1914.

My dear Mr. Pryer:-

The check No. 1279 to the order of Henry Chapman for one hundred dollars was not used at the time, and I have crossed out your name and return it to you together with a check of the same number for \$29.15 to my order. I put this number on the check also the date February 28th so that the sequence of numbers would be correct. I also enclose the following two checks for your signature No. 1283 Gabriel J. Fajardo \$25.50, and No. 1284 Egan L. Belden \$28.34.

You probably noticed in the February report, which I mailed you last Thursday, an account of the exceedingly mean trick played on the Society by Henry Chapman. At the meeting of the Council a while ago a resolution was passed of sending to Henry Chapman a check for the amount that he paid for his life membership fee, and requesting his resignation from the Society, and it was for that purpose that I got the check for that amount. The Society's lawyer, Mr. Newell Martin, expressed the opinion that it was not a wise thing to do at the present time, but to wait until Granberg's collection was released before taking any action of this kind, therefore the check has not been used, but we expect that this will be done sometime later, and for that purpose I am enclosing another check to his order for one hundred dollars but without a number, so that as soon as things are in shape when we can take this action I will have the check to send him. If you will therefore sign this check, I will keep it until it is time to use it, and then will put on the proper number.

Very sincerely yours,

New Rochelle Mar. 10th 1914.

My Dear Mr. Belden,

I am much interested
in your Chapman Controversy,
what possessed the man
to do such a thing as that, he
must be a peculiar specimen.

Sincerely yours
Chapman,

March 11th, 1914.

My dear Mr. Pryer:-

Will you kindly sign and return the enclosed check at your convenience. I want to pay this bill within the next week so as to get a cash discount.

Very sincerely yours,

Can you not get for me a statement from the New Rochelle Bank of the amount covered by certificate of deposit and in the savings account on the 17th of January last without including the accrued interest? I can not get the books for 1913 audited until I have this information, and they ought to have been attended to soon after the annual meeting.

Can you not manage to get over to the Council meeting on Thursday afternoon? There are some decidedly important matters for consideration.

Very sincerely yours,

March 26th, 1914.

Dear Mr. Pryer:-

When I sent you that batch of checks on the 24th I forgot to put in the janitor's salary. I accordingly enclose check No. 1298 for Clarence E. Such \$60.00. Please let me have this by the last day of the month if possible.

Very sincerely yours,

April 4th, 1914.

was called at the request of Mr. Huntington, and he is especially
desirous of having a full attendance as there are some important
matters to come up. I hope you will attend if it is a possible
thing to do so.

Chas. F. Meyer

April 22nd, 1914.

My dear Mr. Fryer:-

I feel very much ashamed of myself that I have not written sooner to tell you how much I enjoyed the day spent with you in New Rochelle, but I have had so many things on my hands since then that I have had to put off quite a little in the way of letter writing.

The Auditing Committee have been through the accounts for 1913, and have endorsed everything as correct except, of course, the list of securities, which has not yet been examined. Mr. Ladd thought it as well to put that off for a few days. I will write you as soon as he is ready.

I am, of course, very well with the subscription for the Swedish copper plate, and hope soon to be in a position to bill you for the five dollars that you so kindly promised, and in this connection I hope you will be able to make the donation a first dividend of priority, as a portion of this money will go to the very poor, and some of it will, no doubt, be needed to help pay for the copper plate.

I enclose herewith a check for five dollars from the Mint, as I understand that these Treasury checks require a written endorsement.

With kind regards, and thanking you for your kind hospitality last Wednesday, I am,

Very sincerely yours,

May 4th, 1914.

Mr. Charles Pryer,
P. O. Box 647,
New Rochelle, N. Y.

Dear Mr. Pryer:-

The meeting of the Council called for Wednesday, May 6th, at 4 P. M., has been postponed to Monday, May 11th, at the same hour (4 P. M.).

Very truly yours,

Secretary

May 8th, 1914.

My dear Mr. Wright:-

Your letter of May 4th has just been received. Much obliged for the permission to use the subscription of five dollars, that you promised, ⁱⁿ the ad. suggested in my letter. Any time you feel like sending the check for that amount, it will come in handy and be properly expended.

I note that you have deposited the April coupons, and I have expected that in the next book. I see you state you have deposited three Western Maryland 4th coupons \$50.00, and I note that on January 2th three Western Maryland 4th coupons were also deposited, and I understood that these coupons were payable on the first of ^{January} 1914, consequently I am a little puzzled to know how they happen to come in at this time, though it has occurred to me that possibly these may have been the coupons that were due several years ago. I would be glad if you would let me know about them so that I can keep the accounts straight.

We had an interesting meeting last night in spite of the disagreeable weather.

With kind regards, I am,

Very sincerely yours,

May 3th, 1914.

My dear Mr. Fryer:-

Much obliged for your letter explaining about the coupons that you deposited on May 4th.

I enclose herewith the following twelve checks for your signature:-

I would be obliged if you would kindly endorse the enclosed check for twenty five dollars. This is one of the subscriptions received for Indian Peace Medals, and it does not go into the general account.

Again, to have the pleasure of seeing you here before long, I am,

Very sincerely yours,

May 13, 1914.

My dear Mr. Pryer:-

I should have sent you the enclosed check, rather than Clarence P. Bush, 100.00, several days ago. I was very much occupied with other matters and forgot it. Please let Mr. Bush be paid as soon as possible as I would like to pay back his salary on Friday if I can.

Very sincerely yours,

June 5, 1914.

Dear Mr. Fryer:-

At a recent meeting of the Council I was directed to write to all members whose dues for 1913 were not paid, which is the reason for writing the two letters which I am sending to you herewith.

I trust you are feeling well and enjoying this delightful weather.

July 18th, 1914.

My dear Mr. Fryer:-

I am very glad that I wrote since I got back from the country and writing rather hurriedly, and I regret that I did not get the letter which you sent me on June 24th more fully answered, but I am very glad that you have no more trouble up. I will fill the gap with the additional answers that were sent out of their place.

I also received the receipt from Marvin that you sent me on June 24th. I am very glad that you have no more trouble up. I will fill the gap with the additional answers that were sent out of their place.

Very sincerely yours,

July 31st, 1914.

My dear Mr. Parker:-

I enclose a notice just received from the United National Bank, from which I see that the accounts of the D. L. & N. Y. S. R. R. described by you a few days ago have been retained not paid. If you do not care to surrender this notice when you get the accounts from the bank, it might as well be left to show it again or that I can file it with the other treasurer's records.

Very sincerely yours,

July 20th, 1914.

~~My dear Dr. Brewster~~

I have an application for associate membership in the Society from Dr. William Roger Britton, 25 West Street, East Orange, New Jersey. Dr. Britton states that he is acquainted with you, and I would like to know if that is so, and if you consider it a desirable member, in which case I **will** accept ~~him as a member of the Society.~~

Very sincerely yours,

New Rochelle, 20th July 1914.

My Dear Mr. Belden,

I enclose you
check for the ~~funds the~~ interest
to July 1st on the funds in the
Interest on ~~the money~~ ^{Department} of the Nat.
City Bank of N.Y. plus the 104⁷⁰/₁₀₀
on former ~~former~~ account. This
does not include the interest on
the Sallus Special Deposit, made
when you were up in April or
the other Special Deposit since the
1st of the year unless the 104⁷⁰/₁₀₀ is
part of the Special. You did not

say anything in your last note
about the coupons of which I
sent you a list, and deposited
some time ago. Those checks
must have had quite some
adventures, since last December.

Sincerely yours
Chas Pyer.

New Rochelle July 21st 1914

My Dear Mr Belden

Regret that the St.

Louis & San Francisco coupons
were not paid especially as the
bonds have been in our possession
for so many years, but I presume
we will have to suffer with the
rest in these times. I enclose the
bank notice so that you can
copy it for the books, then at
your convenience stop at the
Lincoln present paper and they
will give you the coupons. But

I presume keep the paper as a receipt.

Mr. Button I consider all right and should be glad to propose him, especially as you have already sent me his check for fifty dollars which is deposited.

Sincerely yours

Chas. Ryer.

July 22nd, 1911.

My dear Mr. [unclear]

I have just received your letter of July 10th with check from the National Bank of New Orleans for \$157.00 covering the amount of interest that was due on the first of January - \$154.75 - and the interest from January first to July 10th - \$2.25. This would leave a balance in the savings account of \$150.00, which with the addition of the check for fifty dollars that I sent you a few days ago will make the balance at the present time \$1250.25.

The interest on the two certificates of deposit - \$500.00 and \$750.00 - cannot be touched until there is some call to use it.

The interest on the two certificates of deposit - \$500.00 and \$750.00 - cannot be touched until there is some call to use it.

You are right. Those checks must have had various adventures before they got to you. In fact, the National Bank of New Orleans has been very busy with them. They have been sent to the [unclear] Office, and they have been travelling around and viewing the country?

The last batch of checks that I sent to you to be signed also the [unclear] sent to you to be endorsed, have been received all right.

So the [unclear] of the [unclear] and the [unclear] are all right. I am particularly anxious to visit you with you, and if it is convenient for you to come to New Orleans, I can meet you there.

Very sincerely yours,

July 25th, 1914.

My dear Mr. Foster:-

I enclose herewith the following four checks
for your signature:-

No. 1361	Bauman L. Felden	-	-	-	-	-	-	11.57

I got the St. L. & S.F. coupons from the
last Saturday. With your check to you the first time I had you
on that account and they will be paid. I would want to know
there is of these being paid later.

I hope you will be in town some day next week,
as I am going to be in town on the 30th. If you can't come to
here, I can meet you down town if you will give me a day's no-
tice.

With kind regards, I am,

Very sincerely yours,

New Rochelle July 27th 1914

My Dear Mr. Belden

✓
our note and
enclosures received, and in
reply would say that this is a
very busy week with me in
the banking world, but I will
be in town on Thursday
and if you only desire a few
moments conversation with
me I would be glad to meet
you at about twelve o'clock at

the office of ~~Rev.~~ E. Coupling
corner of Duane and Elm streets
N.Y. (one block east of Broadway)
I fear the coupons will never
be paid or at least not in years.
Railways when they start to pay
their coupons again always pay
the coupon due at that date and
not the back ones. I have a
number of the M. & V. Coupons
(of my own) over twenty years past
due although they have been on a
paying basis now for a long
time! The amount in the Interest
Department of the Nat. City Bank
of N.Y. is just as you stated viz.
1250.23 so your books are O.K.

August 12th, 1914.

My dear Mr. Pryer:-

Your letter of August 11th and the four checks came to hand this morning. Much obliged.

As regards Mr. Huntington, I have just seen Dr. Stevenson, who went to Washington to take the matter up with the state department, and he is of the opinion that while Mr. Huntington may suffer considerable delay and inconvenience, he is not in any real danger. According to the word received, he is detained at a hotel. Whether he will be released immediately or detained longer, of course we do not know.

With kind regards, I am,

Very sincerely yours,

August 21st, 1914.

September 18th, 1914.

My dear Mr. Fryer:-

A representative of Hodecnyl, Hardy & Co. called on us, and informed us that his firm was anxious to buy for a customer a number of five per cent bonds of the Michigan Traction Co., and that he understood that we had some bonds, which they would be glad to buy at about 85. He further stated that we could probably secure other bonds that would be of the same class at a lower price, and thereby increase our income. I told him that I did not see that the Society had anything to gain by selling the bonds, and the fact that they were a good investment would make us feel more inclined to keep them, but that I would communicate his proposition to you, and if you felt interested in it would let him know.

I am simply submitting this to you because this was asked me to do so.

With kind regards, I am,

Very sincerely yours,

Bankers Trust Company, New York } Trustees
Detroit Trust Company, Detroit }

From the within letter of H. H. Crowell, President of the Michigan Railway Company, we summarize as follows:

1. This issue of Notes is secured by first mortgage through pledge of the entire outstanding amount (\$6,250,000) First Mortgage 5% Bonds of the Michigan Railway Company, upon the entire property of that Company, comprising 45.35 miles of inter-urban electric railway in actual operation, 42.42 miles of steam railroad now being equipped for electric operation and 56.83 miles additional interurban electric railway, which it is expected will be put in operation by Jan. 1, 1915. The actual cash expenditure for the property, upon which this issue is secured by a collateral first lien, is over one and one-quarter times the principal amount of these Notes. In accordance with the terms of the Indenture, no additional First Mortgage Bonds may be issued unless they are pledged under these Notes.

2. A large part of the lines of the Michigan Railway Company is located on private right-of-way, owned in fee. The balance is operated under advantageous franchises, extending beyond the maturity of these Notes.

3. The payment of principal and interest of these Notes is unconditionally guaranteed by the Commonwealth Power Railway and Light Company by endorsement on each Note. As security for its guaranty, the Commonwealth Power Railway and Light Company has become a party to the Indenture and has pledged with the Trustees stocks of other subsidiaries, having an earning power in excess of the interest requirements on the Notes. The net earnings of the Commonwealth Power Railway and Light Company and its subsidiary companies, available for payment of dividends upon the stocks of the Commonwealth Power Railway and Light Company amounted for the year ended April 30, 1914, to \$2,203,350, or more than seven times the obligation which the Commonwealth Power Railway and Light Company has undertaken through its guaranty of the interest on these Notes.

4. The Preferred and Common stock of the Commonwealth Power Railway and Light Company outstanding in the hands of the public has an estimated value, based on present market quotations, of over \$20,000,000.

5. The remaining \$2,000,000 of the authorized amount of these Notes may be issued only under careful restrictions, for not more than 80% of the actual and reasonable cash cost of actual permanent physical extensions, enlargements and additions.

My Dear Mr. Belden,

I have just returned from
a short cruise with a friend, and received both
your notes, one about the Michigan Operation
Bonds, and the checks. The latter speak for themselves
and require no comment. Now, for the Bonds, in
the first place, I do not think either you or trustee
or, as treasurer have any right to sell or
change securities of the Soc. without the Society's
instructions to do so. and in the second place
I do not think it any time to sell Bonds that
are paying us a fair rate of interest and especially
we should not sell those that seem good enough
to be sought after under such conditions as now
exist. so I think we should let the subject drop,
unless you think it well to bring it before the
Council.

Sincerely yours
Charles Pryer.

My dear Mr. Peyer:-

Your letter of September 28th with the five checks has just been received.

I am entirely of your opinion regarding the question of selling the Hiedigas Trading Company goods. As I wrote you, I simply brought the matter to your attention because I promised this man I would do so.

With kind regards, and trusting that you enjoyed your cruise, I am,

My dear Mr. Fryer:-

Your letter of October 28th and the check for \$24.75 from the Chicago & Northwestern Railway came duly to hand, and I would have replied sooner only I expected to see Mr. Brown, and wanted to find out if he agreed with my view of the income tax question raised by the receipt of this check.

Of course the twenty five cents that has been deducted for income tax is not worth bothering about, but it seems to me that there is a matter of principle involved here, which we should not give up by accepting this check. This Society is exempt from the payment of income tax, and if we let this matter go, the large amount of twenty five cents will be turned over to the Government as a payment on our part of last year's income tax, thereby admitting that we have to pay income tax, and the question might be most logically raised that, if we pay income tax on twenty five dollars of our income, we should keep on and pay it on the rest of our income.

I would therefore suggest that you return this check to the Chicago & Northwestern Railway, and request a check for the full amount, sending with it an exemption certificate, and at the same time requesting them of the one that you have already sent, which, of course, may have gone astray. Mr. Brown agrees with me in this, and he also says that they have just sent out a new exemption certificate, which is on yellow paper. Before returning the check, you should cross out your endorsement.

I am sorry to give you all this trouble, but I think you will agree with me that it is a matter where we should not give way.

With kindest regards, I am,

Very sincerely yours,

My dear Mr. Fryer:-

I enclose herewith a check for \$48.00 from Mr. Julius Gattis, and the Society's check for \$2.00 made to the order of Charles Fryer, Treasurer. Will you kindly sign this check, and deposit the two checks (\$50.00 in all) in the permanent funds as Mr. Julius Gattis's Associate Life Membership fee.

Mr. Gattis sent a check for \$5.00 for his dues sometime ago, and we have just received his check for \$43.00 which he sends as the balance to make up the life membership fee, \$50.00, considering the \$5.00 that he paid for dues as being on the account. I brought this matter before the Council on Wednesday, and it was decided to accept it in this way, therefore, it becomes necessary to withdraw the five dollars from the current funds, and add it to the permanent funds to make his life membership fee complete.

I also enclose the following six checks, which might wish to return to me at your convenience:-

No. 1387	Waldo Peterson	-	-	-	-	-	-	-	-	-	45.00
" 1388	The Evangelist	-	-	-	-	-	-	-	-	-	34.30

" 1402	George Damon & Sons	-	-	-	-	-	-	-	-	-	12.32

At the Council meeting on Wednesday, I was directed to write to all the members and tell them that one year has gone. I remember that bringing the matter to your attention will answer the purpose as regards Mrs. Fryer and Mr. Harold C. Fryer. Should you prefer that I write to them direct, please let me know.

Trusting that you are well, and enjoying this delightful weather, and hoping that we will have the pleasure of seeing you here before long, I am,

My dear Mr..Pryer:-

Will you kindly endorse the enclosed Canadian Post Office Order for one dollar, and return it to me so that I can deposit it..

Very sincerely yours,.

December 31st, 1914.

My dear Mr. Pryor:-

The check came to hand this morning. Much obliged.

Will you kindly deposit the January coupons as soon as possible. You know we have a deposit in your New Rochelle Bank of three thousand dollars, which is to be used for the purpose of publications, and we have used considerable money for this purpose out of the funds in the Lincoln Bank as I do not want to disturb this three thousand dollars any sooner than can be avoided on account of the interest that it is drawing. That, of course, makes our Lincoln Bank account considerably lower than it otherwise would be, and it is necessary to get in these coupons as soon as possible, so as to keep things going until the dues for next year begin to come in. I am hoping that we can leave that three thousand dollars alone until it has earned the year's interest, but to do that, it will be necessary to watch our account in the Lincoln Bank pretty closely.

I would be glad if you would also draw out the interest that has accrued on the Savings Bank account, and let me have a check for that. The principal, of course, not to be touched, simply what interest has accumulated since last July when you drew out the interest that had accumulated at that time..

Wishing you and yours a very happy New Year, I am,

Very sincerely yours,

Pryer, Charles 1915

My Dear Mr. Belden

two that these due bills
have slipped my mind.

unable to leave the place

My Dear Mr. Belden,

Your letter received
and about the coupons and
interest I can only say that
I will get them as soon as
possible, but I have been
very sick: on the Tuesday
before Christmas while getting
out of my carriage I felt unwell
and remained so until the
doctor revived me; have been

very miserable ever since
as you can easily imagine,
and although better I may
not be able to go to the City
for several days to come.
Now in consideration of my
very much impaired health
I think it would be very much
better for the Society to get another
Treasurer as I fear I will not
be very reliable in the future
and at all events it will
be better to have a stronger
and more active man to
attend to my affairs and
I should like very much to
have all these matters settled
while I live than to leave

them to my Executors, hoping that
you will agree with me, I am

Sincerely yours

The Annual Meeting will be on the afternoon of Saturday, January 16th. I hope you will be able to be with us at that time.

January 9th, 1915.

My dear Mr. Fryer:-

Your letter of January 8th enclosing the nine checks, and informing me that you have deposited coupons to the amount of \$375.00, has just been received. As you do not mention the St. L. & N. W. R. R. on the list of coupons deposited, I presume that that Road has defaulted on these coupons also.

With kind regards, and hoping that you are feeling entirely well again, I am,

Very sincerely yours,

New Rochelle Jan. 11 1915 st
My Dear Mr. Belden,

I enclose draft
for the interest on the fund
in the savings department of the
of Nat. City Bank of N.Y. and hope
you will receive it in time for
the general meeting. I did not
cut the coupons of the St. Louis

from the price that they can not
be paying will however make some

inquiries and give you the report
upon them.

Sincerely yours
Charles F. Johnson

January 11th, 1915.

My dear Mr. Pryer:-

Will you kindly endorse the enclosed Post Office Order for five dollars, and let me have it as soon as convenient so that I can get it deposited before the annual meeting on Saturday.

With kind regards, I am,

Very sincerely yours,

January 13th, 1915.

Mr. Charles Fryer,

P. O. Box 647,

New Rochelle, N. Y.

My dear Mr. Fryer:-

It gives me great pleasure to inform you that, at the meeting of the Council held yesterday afternoon, you were unanimously elected a Governor for the unexpired term of the late Mr. Daniel Parish, Jr.

Trusting that this will be agreeable to you, and with kindest regards, I am,

Very sincerely yours,

Secretary.

January 12th, 1915.

My dear Mr. Pryer:-

I hope that you will not feel alarmed at the prospect of being one of the Governors. Mr. Parish's term of office, as well as the terms of the other Governors, expires as soon after the annual meeting as the Council elects new Governors, so if you should feel that you would not want to undertake the duties of a Governor you could decline a re-election, but the fact that you were a Governor even for so short a time would render you eligible to being made an Honorary Governor, which is a title without duties..

As you are so anxious to be relieved from the duties of Treasurer, we have been talking over who would be a good one to succeed you, and I think by the next meeting of the Council we will be able to figure it out..

I will have the Treasurer's report all figured out in the course of the next two or three days. We all hope that you will be able to attend the annual meeting on Saturday afternoon, and I can assure you it will be a great disappointment should we not have you with us then..

With kindest regards, I am,

Very sincerely yours,

January 14th, 1915..

My dear Mr. Pryer:-

I enclose herewith check from Mr. Herbert
Scoville for fifty dollars for associate life membership
fee, which should be deposited with the permanent funds.

Very sincerely yours,

January 19th, 1915.

My dear Mr. Poyer:-

It has occurred to me that it would be a very nice thing to illustrate the medals given to you and Mr. Saltus in the printed proceedings of the annual meeting. Would you mind letting me have your medal for a few days, the next time you come to the city so that I can have it photographed, and will you also copy for me the inscription on the reverse showing just how many lines there are, and what is on each line,

I enclose a few checks for you to sign as follows:-

No. 1450	Bauman L. Ballen	-	-	-	-	-	-	-	25.97
"	1451	United Electric Light and Power Co.-	-	-	-	-	-	-	60.21

My Dear Mr. Belden,

My dear Mr. Pryer:-

I enclose herewith check No. 1470, T. R. Marvin & Son, \$200.00. If you will therefore, sign this and let me have it at your earliest convenience I will be very glad.

I trust you received the Post Office Order for one dollar that I sent you on February 27th.

My dear Mr. Poyer:-

My dear Mr. Pryer:-

Mr. Reilly is still away, and I do not know just when he will be back. I will, therefore, have to trouble you for a few more signatures. In the first place, please endorse the enclosed Post Office Order for ten dollars. You will notice that it is made to the order of Charles Pryer, consequently should be endorsed that way without any mention of Treasurer. Kindly also sign the following twelve checks:-

No. 1474	Weber-McLoughlin Co.	-	-	-	-	-	-	-	95.11
" 1473	United Electric Light & Power Co.	-	-	-	-	-	-	-	55.40

" 1483	Deaman L. Belden	-	-	-	-	-	-	-	17.88

You will notice that I did not put the amount on check No. 1482.

I want to use this check to buy a draft for 13 - 10 sh. for a firm in London that made the plates in Mrs. Brett's monograph "Coinage of Lempeaoue", and as I will not know until I go to the bank to get the draft just what it will cost, I have to leave the amount blank.

Very sincerely yours,

March 16th, 1915..

March 24th, 1915..

My dear Mr. Pryer:-

Your letter of March 22nd, with the circular from the C. & N. W. Railway Co., came to hand yesterday.

I am sorry, but I will have to ask you to attend to this as you have in the past. I got a letter from Mr. Reilly this morning, he may be in New York the last of this week but it is not certain, and even if he should, it would not be in time to arrange this by March 27th. I accordingly return the circular.

With kindest regards, I am,

Very sincerely yours,

March 27th, 1918.

My dear Mr. Pryer:-

I enclose herewith a British Post Office Order for £1 - 7s. Will you kindly endorse this, and let me have it at your convenience.

Very sincerely yours,

March 30th, 1915.

My dear Mr. Poyer:-

I have been hoping that Mr. Bailey would turn up in time so that I would not have to bother you with the April check, but as he has not yet appeared, I thought it better to send over the check as it will not be so late as will be the first. If you will, therefore, kindly sign and return it to me, I will be greatly obliged.

With kindest regards, I am,

Very sincerely yours,

March 7/14, 1916.

My Dear Mr. Brown:-

You will, no doubt, remember that after the annual meeting last January when you, Mr. Saltus, Mr. Brown and I were together, you said that you would, if desired, read a paper on the subject of heredity, and as heredity in a way is associated with closely with evolution, I should think that such a paper would be most appreciated by, and of certainly much of most interest.

But my writing for the reading of papers, Mr. Brown on Thursday evening, the 10th, and we are hoping that you will be willing to read your paper on the 12th at that time. Please let me know as your convenience how this strikes you.

Mr. Saltus got back from Florida I don't know how long ago, and was up here yesterday afternoon.

With kindest regards, I am,

Very sincerely yours,

April 1st, 1915.

My Dear Mr. Taylor:-

I hope you will excuse the long delay in replying to the enclosed notice. After the last meeting I had a lot of things that took a good deal of time and attention, and somehow I forgot to write to you.

There will be our first concert in November, and it is very certain the list would not be headed by a better man.

With kindest regards, I am,

Very sincerely yours,

April 1st, 1918.

Mr. Charles Pryor,
P. O. Box 117,
New Rochelle.

My dear Mr. Pryor:-

I have great pleasure in notifying you that, at the regular
meeting of the Board of Directors, held on April 1st, 1918, you were unanimously
elected an Honorary Governor for life.

Trusting that this will be agreeable to you, I am,

Very respectfully,
Yours,

Secretary.

April 5th, 1915.

Dear Mr. Pryor:-

Mr. Bailey is now in New York, and will be ready to meet you at such time as may be convenient for you. I tried to get you on the phone both Saturday and this morning, but without success. If you will kindly let me hear as soon as possible when it will be convenient for you to meet me, I will arrange with Mr. Bailey. Give me a day's notice so that I will have time to notify you. It must be about not so late to meet me at the time mentioned.

With kind regards, believe me,

Very sincerely yours,

My dear Mr.. Fryer:-

The last time I saw you, you promised to send me the title of your paper on heredity, which you have so kindly promised to read before the Society on the evening of Thursday, May 6th.

With kindest regards,, I am,

Very sincerely yours,

The Cedars April 21st 1915

My Dear Mr. Belden,

I have indeed forgotten to send the name of the article. I propose writing, for a long time, but hope it may not be too late. I can think of no better title than: "Heraldry and its relation to History and Numismatics." I think this will bring the address quite

within our province, which
seems to me very desirable.
I shall treat, at some length
the Heraldry found on coins
and medals and endeavour
to show how ~~they~~ it helps us
to place various pieces.

How are you getting along
with the photograph of the
medal?

What glorious Spring weather
we are having, but I should
like to see a little rain now.
With the kindest wishes I am

Sincerely yours
Chas. Keyes.

April 23rd, 1915.

My dear Mr. Poyer:-

I was very glad to receive your letter of April 21st, which came to hand yesterday, and I immediately sent a copy for the cards, to the printer. I think the title that you have chosen for your paper is a most attractive one, and I am sure the paper will be most interesting.

We took one photograph of the medal, and it did not come out well, so have sent for the photographer again, and am expecting him here either today or tomorrow.

The rain that you wished for seems to be here, and certainly came down in a very nice way. I hope it will continue for a while as it is just what we need.

With kindest regards, I am,

Very sincerely yours,

Ray Rochelle April 27th 1905

My Dear Mr. Belden

When the tickets
are ready for May 6th will you
kindly send me quite a ~~few~~
number of them as I desire
to invite some of my friends
both from this place and
N.Y.

Sincerely yours
Chas. Pyper

April 28th, 1915.

My dear Mr. Piper:-

Your letter of April 17th has just been received. I sent you yesterday 25 cards for May 5th, which I trust have reached you by this time. If you want any more, kindly let me know as I have had a good stock printed.

Is it your intention to exhibit anything illustrating your paper, and if so, can you give me any idea as to just what it will be, whether coins or other material, so that I can take provision for proper display.

With kind regards, I am,

Very sincerely yours,

May 7th, 1915.

Mr. Charles Fryer,

P. O. Box 647,

New Rochelle, N. Y.

My dear Mr. Fryer:-

I forgot to tell you last evening that Mr. Huntington came in a little before eight o'clock, and wanted me to say to you that he was very sorry he had to go out in the evening and could not stay at the meeting. But he stopped in to leave this message for you, and to say that he regretted not being here, and hoped that everything would go off beautifully.

Our very best men your paper is glad to publish it, or a synopsis of it, as you may prefer, with the report of the meeting in the next number of the "Herald". Any time next week will be ample time.

I learned a lot of things last night that I did not know before, and enjoyed the meeting very much. We are certainly all devoted to you.

With kind regards, believe me,

Very sincerely yours,

Ans'd May 20

New Rochelle May 18th
1915

My Dear Mr. Belden,

In reply to your
note requesting a copy of
my address on Heraldry
I regret to say that I can
not see how I can send it
to you as I spoke almost
entirely impromptu only
having a few notes for
the readings, and nothing

more, so it looks very much
as though we would have to
let my desultory remarks
sink into that oblivion
from which I called them
I could of course write a new
~~paper~~ on the subject, ~~that~~
but it would not be the
address of that evening.

But let me hear from you
and ^{tell me} ~~say~~ what you think
about it.

Sincerely yours
Chas. Ryder,

June 5th, 1918.

My dear Mr. Fryer:-

Here is a man who apparently can not get out of an old habit, and has made his check to Charles Fryer, Treasurer. Will you kindly endorse it, and send it back to me.

I have, as you will see, Pay to the order of The American Sociometric Society stamped on the back, so just write Charles Fryer, Treasurer, under that, and that will fix it up all right, and we will stamp it with our new stamp, and put it through.

With kindest regards, believe me,

Very sincerely yours,

New Rochelle Aug 23rd 1915

My Dear Mr. Belden,

Please send the enclosed to the present Treasurer and request that officer to notify the R.R. Co., where to send the interest check in future.

Fell from a trolley car about a month ago and hurt myself quite badly, but am better

now although have not been
able to attend to my affairs
yet.

Sincerely yours

Chas. P. Jones.

August 24th, 1915.

My dear Mr. Pryer:-

I have just received your letter of August 23rd with the communication from the Chicago and North Western Railway Co., which I have sent on to Mr. Reilly.

I am very sorry to hear about your accident. Glad however that you are feeling better, and hope you will be entirely recovered very soon.

I notice on Page 211 of the August Number that an article concerning a token gotten out by the National City Bank of New Yorkville, a specimen of which should be in the Society's cabinet. Can you not manage it for us?

Things here are going along nicely and smoothly.

With kindest regards, I am,

Very sincerely yours,

New Rochelle Sept 10th 1915

My dear Mr. Belden

I have just received
the enclosed, please let the present
Treasurer sign it and let the
Co. know where to send the check
and inform them I no longer
have anything to do with the finances
of the Soc. Very hop again with a
~~very~~ sun like felly, with kind
regards I am

Sincerely yours

My dear Mr. Pryer:-

What shall we do about the enclosed two bills?

You, no doubt, remember that we have a provision in our By-Laws that a member who has paid his dues for twenty years becomes a life member. This becomes effective in case of your son when the dues for the year ending in January 1917 are paid, and in case of Mrs. Pryer when the dues ending January 1918 are paid. It would therefore seem to me to be a pity to let either of them drop out when they are so near to becoming life members.

With kindest regards, and the compliments of the season, I am,

Very sincerely yours,
